Duane R. &/or Carolyn J. Cantey
HC 85, Box 109
Bruneau, ID 83604

Dear Mr. and Mrs. Cantey:

After further review of your claims to water rights, I thought I had found additional water that had not been claimed. I spoke to our State Office in regard to this and found that I had been in error. Our copy of the Bruneau River Decree is so old that I thought I had found an error but did not. Therefore, it is not necessary for me to come out to your place on Wednesday morning as I had planned.

Enclosed are revised recommendations for your claims as mentioned above. As I told Mr. Cantey on the phone, I have recommended the use of these claims on 71.8 acres, rather than the 45 acres that I had originally recommended. I have also revised the recommendation for Rt. 51-00017 which was originally disallowed. I hope these new recommendations are satisfactory to you. Please review the new recommendations and GIS map and let me know if you agree with them.

If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script that reads 'Kay Walker'.
