HOW YOU WILL RECEIVE NOTICES IN THE SNAKE RIVER BASIN ADJUDICATION

All documents filed in the Snake River Basin Adjudication other than notices of claims are filed with the court. Notices of claims to water rights filed in the Snake River Basin Adjudication are filed with the Idaho Department of Water Resources. Copies of all documents filed in the Snake River Basin Adjudication will not be mailed to all parties (claimants) in the adjudication.

By order of the court, any document filed with the court will be mailed only to those parties who may be directly affected by it. A monthly docket sheet will be prepared by the department which contains a summary of all documents filed with the court in the previous month and the dates and locations of hearings scheduled for the following three months. The docket sheet will be filed with the district court clerk in each county within the Snake River Basin in Idaho. Copies of the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying. If you wish to receive a copy of the docket sheet each month, you should mark the appropriate place on your notice of claim form. You will be charged a small annual subscription fee to cover the cost of copying and mailing. Copies of any document listed on the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying.

Copies of all notices of claims filed with the department will be available for inspection from all offices of the department. Copies of the notices of claims may be obtained in person or by mail, but you will be charged for the cost of copying and mailing. (A claimant will not be charged for a copy of his or her own notice of claim, and a person who acquires property with water rights for which a notice of claim was filed will not be charged for a copy of the notice of claim filed by the previous owner.)

After the notices of claims have been reviewed, the director will prepare and file a report with the court. Part 1 of the report will contain the director's recommendations as to each water right claimed under state law. Part 2 of the report will list each federal reserved water right claimed. A number of reports will be prepared, one or more for each sub-basin in the Snake River Basin. When the report for your sub-basin is filed with the court, you will be mailed a notice informing you that the report for your sub-basin has been filed. The notice will be sent to the most recent address shown by the department's files. Attached to the notice will be a copy of those portions of the report describing the water rights you have claimed. If you do not agree with the way your water right is described, you may file an objection to the report with the court. You can also file an objection if you disagree with the way other claimant's water rights are described, and the notice will tell you where a copy of the full report is available for inspection. The notice will tell you when and where to file your objection. The notice of filing for each sub-basin report will also be published state-wide in local newspapers.

It is very important that you inform the department in writing of any change in your address. This is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

If you are acquiring property with water rights in the Snake River Basin water system in Idaho (either by purchase, gift, inheritance, or other means), it is very important that you inquire of the department whether a notice of claim has been filed. If not, you must file a notice of claim or the water right may be declared by the court to no longer exist. If a notice of claim has been filed, it is very important that you file a written notice of change in ownership with the department. The notice of change in ownership must be accompanied by some evidence of the change in ownership, such as a copy of the deed or a property tax statement showing the name of the new owner. Again, this is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

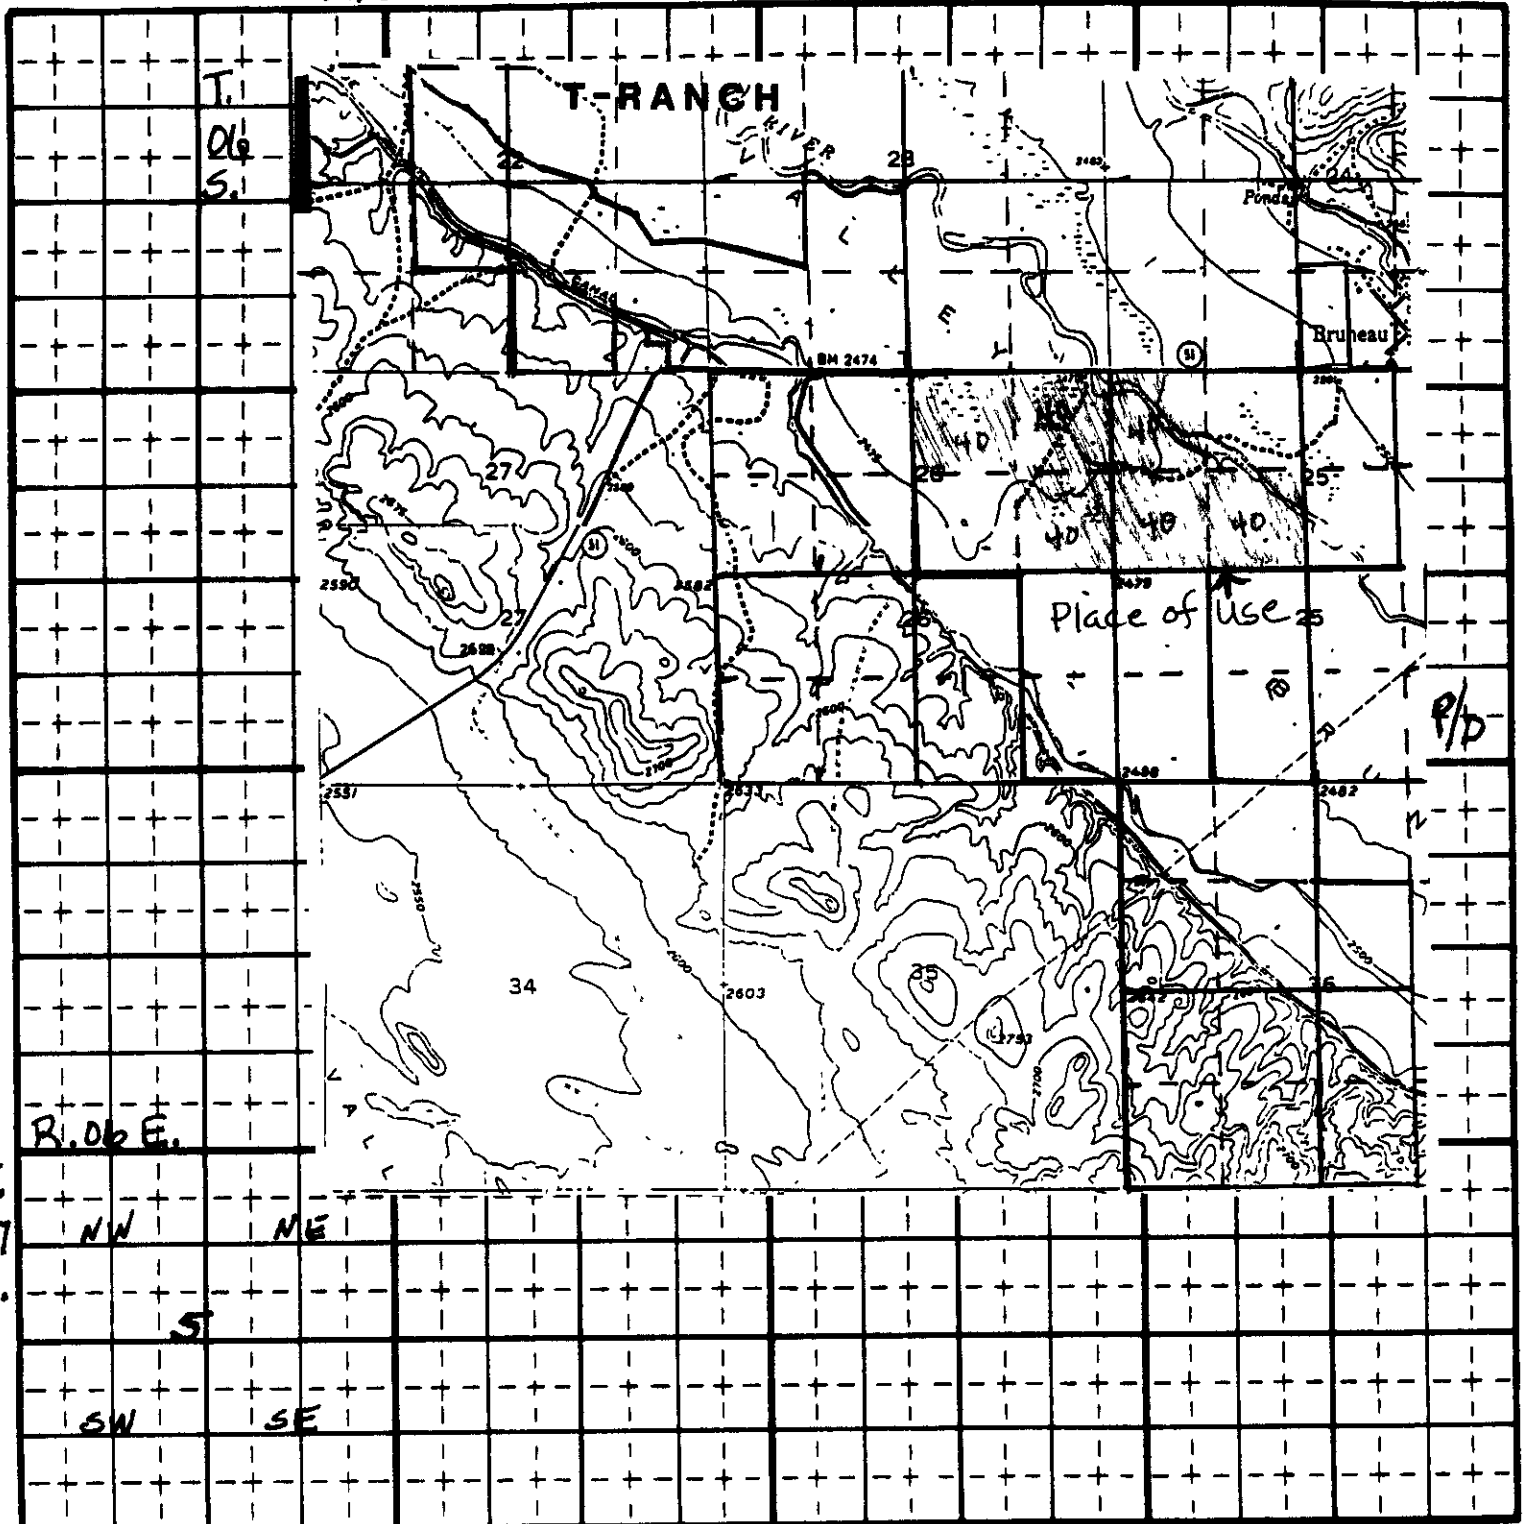

The cost of the subscription to the docket sheet is \$7.50 for calendar year 1988. The cost of the subscription may increase a small amount for calendar year 1989 if the cost of copying and/or mailing should increase.

If you are planning to file a motion or other pleading (not a notice of claim) with the court (not IDWR), the court has issued an order setting a special procedure that is different from the usual civil rules. A copy of the order may be obtained from any office of IDWR; you may be charged for the cost of mailing and/or copying.

STIPULATION TO STAY ACTION ON RECOMMENDED WATER RIGHTS

**South Side Bruneau Canal Company, State of Idaho Department of Fish and Game,
George and Betty Turner, Albert Black, Ronald E. Prow, and Simplot Self Declaration Revocable
Trust, the parties claiming the above referenced water rights, and the Idaho Department of Water
Resources ("IDWR") hereby agree and stipulate as follows:**

1. Each of the above-referenced claims to water rights were recommended with a point of diversion that diverts water from the Bruneau River into the South Side Bruneau Canal as a point of diversion.
2. If decreed in the SRBA as recommended, the delivery of the above referenced water rights will not reflect historical distribution of water from the South Side Bruneau Canal.
3. The parties to this stipulation only recently discovered that the recommendations do not reflect historical distribution.
4. Because of the complexity of the distribution of water in the Bruneau River valley, and the subsequent complexity of litigation that may result from the filing of objections, the parties desire to negotiate a settlement before filing objections with the SRBA District Court.

5. The parties hereby request that the SRBA District Court refrain from taking action on the above referenced recommended claims to water rights.

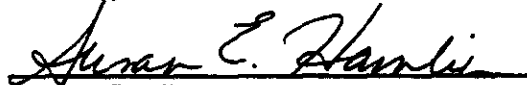

6. The parties hereby agree that any party to this stipulation will not oppose the filing of a late objection or amended claim to any water right referenced by this stipulation, and that such late objections or amended claims may be granted by the SRBA District Court.

7. The parties agree to submit amended claims, or late objections and/or Standard Forms Five for each of the water rights referenced above within two months of the date of this stipulation.

Dear Vic:

- TEL CONU.

1. I would like to recommend permissible place of use (PPOU) for Bruneau River rights: A51-00031, -32, -33, -34A, -35A, -36A, -68A & -2133, if ok? They were not claimed this way.
 2. The NAPP map marked PPOU combines all of the POU claimed and also was claimed for rights; A51-00034A, -35A, and -36A. The other maps show what was found from the claimed tracts. The points of diversion are from the South Side Canal Company and a separate point of diversion from the Bruneau River. If I recommend all these rights as a permissible place of use I will add the second P/D to each claim and put the entire place of use on each claim. The licensed right will be limited to the licensed acres within the PPOU and the decreed rights will be limited by the CFS and/or the number of acres decreed within the PPOU.
 3. For the Jack's Creek letter, for your information, has reliable groundwater rights, thus, Jack's Creek rights have not been used by original owner Owen. I met with Mr. Owen about this issue. He said his neighbor plowed over the ditch several years ago, prior to my field exam. Owen said he didn't want to have a conflict with him, so he never done anything about access to Jack's Creek since Owen had the reliable groundwater coverage.
 4. Please look the questions on these letters and give me the required response. I do need your response to whether to recommend the PPOU, ASAP. Please call me if you have questions.

Sincerely,

Ron Howerton

RE: Snake River Basin Adjudication (SRBA)
Change in Notice of Appearance of Counsel on the Snake River
Basin Adjudication Claims for Owen Ranches, Pioneer
Irrigation District and Settlers' Irrigation District

Dear Scott:

Following your letter request to David Shaw of December 10, 1993, attached is an adjudication report denoting the claims filed by your clients referenced above that have been changed. We have also updated water right 57-00040 for Pioneer Irrigation as you requested.

Please note water rights claims showing Richard L. Owen as claimant were not changed in our database. You may wish to file another Notice to the court if you are representing Richard L. Owen as well as Owen Ranches, each of whom have filed claims as if they were unrelated parties.

Call me if you have questions.

Sincerely,

Donald V. Shaff

RE: Change in Notice of Appearance of Counsel on the Snake River Basin Adjudication Claims for Owen Ranches, Pioneer Irrigation District, Cyprus Thompson Creek Mining Company, Conversion Industries U.S.A., Inc. and Settlers Irrigation District

Dear Scott:

The five computer reports enclosed confirm the change in firm and address you requested in your letter dated February 13, 1992. By comparing these reports to the list you supplied with your letter, you will see not all of the water right claims listed in your attachments were changed. Those claim records not changed are filed by persons other than your client(s).

The possibility of questions I raised in our telephone conversation last week were resolved for my part. If you have any questions or need some points clarified, please feel free to contact me.

Thank you for supplying the claim lists in an orderly fashion.

Sincerely,

Donald V. Shaff

Dear David:

Pursuant to a prior telephone conversation with Ms. Lynne Krogh-Hampe, I am providing this correspondence to notify the Idaho Department of Water Resources of my change of address and affiliation. I am presently a partner with the law firm of Davis Wright Tremaine at the above-referenced address.

Because of this change, I request that the Idaho Department of Water Resources make the necessary modifications to its records pertaining to the Snake River Basin Adjudication regarding the water rights and notices of claim identified for the above-referenced clients, as indicated on the attached lists, marked Exhibit A. Based upon my prior conversations with Lynne, she indicated that one letter with identification of the individual water right numbers would be sufficient. Please notify me in writing if this is not the case. Additionally, I would appreciate receiving written confirmation that the requested changes in your records have been made, so that I may include copies of your confirmation in the individual claim files for each client and each water right.

Thank you very much for your cooperation.

Ref: Adjudication Claims

Dear Mr. Owen:

The adjudication claims that you filed on for basins 51 and 55 have been reviewed. An overlap review was made for the irrigated acres. An individual fee is assigned to each claim.

It appears that you may have overpaid on the over all total. However, some additional claims may be needed, or may need some modifications. You may apply your overage to any of the new claims that require additional claiming. (I will contact you later for this.) The remainder, if any remains, I will request a refund accordingly.

Claims A51-00034, A51-00035, A51-00036 and A51-00068 have been split because of partial ownership change. Each right has been prorated according to the land transferred or retained.

Attachment "A" shows modifications to your claims, by either making them more clear or to meet our adjudication and appropriation water right standards. These modifications require us to notify you.

S U M M A R Y

I would be happy to discuss any questions you may have before I contact you prior to the field season.

Truly yours, /

Ron Howerton
Sr. Water Resource Agent

RE: SRBA Claims Filed by Richard L. Owen and/or Marie Owen, or
Owen Ranches

Dear Mr. ^{Scott}~~Campbell~~:

This letter is to confirm the request to list you, and the name of your firm, as the attorney of record for the Owen claims as listed in your letter of January 8, 1991 has been completed.

Please note that claim A65-08324 shows Louise Owen as the original owner of the water right and Richard L. Owen as both the original owner and the current owner. That record has been corrected to show Richard L. Owen as the current and only owner.

If you have any questions, please feel free to contact this office.

Yours truly,

David B. Shaw

Dear Mr. Shaw:

I would be most appreciative if your office could arrange to copy and have sent to Elam, Burke & Boyd all copies of claims above referenced which have been signed by our client. We need these copies in order to determine specific water rights filings by claim number and other pertinent information. We would, of course, be happy to pay all copying charges incurred if you would enclose a statement reflecting same.

Scott Campbell and I thank you for your assistance with this matter.

Very truly yours,

I have enclosed a listing of the claim numbers which we have been able to obtain by conducting a search of certain records on file with the Department, as well as other information available to us.

On behalf of Mr. and Mrs. Richard L. Owen and the Owen Family Revocable Trust, as well as Owen Ranches, I would like the Department to enter my name, and the name of our firm, as attorneys of record with regard to all adjudication claims filed on behalf of any of those entities. Specifically, I request that my name, and the name of our firm, be entered with regard to the adjudication claim reference numbers provided on the enclosed list. However, I would also request that my name, as well as the name of our firm, be included as attorneys of record with regard to any other claims filed in the name of those entities, but not appearing on the list which I have enclosed.

Please notify me in writing if there is any additional documentation or authorization which you require. I also request
