RE: Snake River Basin Adjudication Claims

South Side Bruneau Canal Co. Ltd.
c/o Frank Davis
HC 85 Box 179
Bruneau, ID 83604

Dear Mr. Davis:

I am getting ready to make my recommendations on South Side Bruneau Canal Company's claims and find that I need more information than what I gathered at our field visit. I need to have a list of all of the shareholders within the Canal Company's service area along with the number of inches each shareholder receives. I also need to know under which priority date each shareholder receives water.

I am enclosing a "Change in Address of Notice of Claim" form which can be used to change the address to which all of South Side Bruneau Canal Company's correspondence, regarding their claims, will be sent. I have completed the form as much as I could for your convenience.

Please submit the above requested information on or before April 29, 1994. If we don't receive this information it will be hard to complete a thorough review of the claims. Thanks for your help in this matter.

Sincerely,

KAY WALKER

RE: Change in Notice of Appearance of Counsel on the Snake River Basin Adjudication Claims for Owen Ranches, Pioneer Irrigation District, Cyprus Thompson Creek Mining Company, Conversion Industries U.S.A., Inc. and Settlers Irrigation District

Dear Scott:

The five computer reports enclosed confirm the change in firm and address you requested in your letter dated February 13, 1992. By comparing these reports to the list you supplied with your letter, you will see not all of the water right claims listed in your attachments were changed. Those claim records not changed are filed by persons other than your client(s).

The possibility of questions I raised in our telephone conversation last week were resolved for my part. If you have any questions or need some points clarified, please feel free to contact me.

Thank you for supplying the claim lists in an orderly fashion.

Sincerely,

Donald V. Shaff

CONVERSATION MEMORANDUM

DATE 5-5-92FILE A51-00006NAME OF PARTY John B. UrquidiA51-00007EMPLOYEE Roxanne McCarthyA51-00008RE: PPU Filings for South Side Bureau Canal Co.

Mr. Urquidi was in my office today to protest the PPU Filings for South Side Bureau Canal Co.

He strongly objects to the Filings that appear to "spread" the earlier water appurtenant to his lands onto all of the lands under the ditch company.

Mr. Urquidi would like to be notified of our recommendations.

**Re: Change in Notice of Appearance of Counsel on the Snake River Basin
Adjudication Claims for Owen Ranches, Pioneer Irrigation District,
Cyprus Thompson Creek Mining Company, Conversion Industries U.S.A.,
Inc. and Settlers Irrigation District**

Dear David:

Pursuant to a prior telephone conversation with Ms. Lynne Krogh-Hampe, I am providing this correspondence to notify the Idaho Department of Water Resources of my change of address and affiliation. I am presently a partner with the law firm of Davis Wright Tremaine at the above-referenced address.

Because of this change, I request that the Idaho Department of Water Resources make the necessary modifications to its records pertaining to the Snake River Basin Adjudication regarding the water rights and notices of claim identified for the above-referenced clients, as indicated on the attached lists, marked Exhibit A. Based upon my prior conversations with Lynne, she indicated that one letter with identification of the individual water right numbers would be sufficient. Please notify me in writing if this is not the case. Additionally, I would appreciate receiving written confirmation that the requested changes in your records have been made, so that I may include copies of your confirmation in the individual claim files for each client and each water right.

Thank you very much for your cooperation.

Very truly yours,

DAVIS WRIGHT TREMAINE
