RE: A51-02128, A51-02161 & A51-02207

Dear Charlie:

Enclosed is a satellite imagery map that show the boundaries of your irrigated fields broken down by forty acre parcel. Please review the map and let me know immediately if you agree. I am especially concerned about the area along the West boundary where the higher ground is located. If you think it should be changed, draw a new line and return the map to me. If you agree call me at the number below to let me know.

I removed the 40 acres in the SWNE, Section 12 from right 51-02207 on the basis that it was transferred prior to 1987 to fill in some of the other parcels that did not have a full 40 acres of irrigated rights. The SWNE, Section 12 will be covered by one of John Mather's licensed rights from his own well.

Sincerely,

A handwritten signature in cursive script that reads "Mel Schulte".
