RE: Notice of Claims to Water Right Nos. R51-02174, R51-07104, R51-10003 & R51-07297

John A. Mather
280 Horizon Dr.
Boise, ID 83702

Dear Mr. Mather:

Enclosed are corrected profile reports for my recommendations on Claims R51-02174, R51-07104 and R51-10003. As per our visit on August 13, 1998, I have revised R51-10003 to show the ponds you have developed as the place of use instead of the old ditches that were previously used. This claim now includes the use in the 7 ponds that are 50'x25'x3', the 3 ponds that are 1/8 acre each x 3' deep, and the pond in the SESESE that is 200'x100'x3'. I calculated a volume of 3.1 acre feet for these ponds and found they cover an area of 1 acre. I removed 1 acre of irrigation from Claim 51-02174 to account for the land these ponds cover. The only other change made was revision to the condition limiting all the rights when combined to 4.83 cfs and 1331.1 acre feet per annum.

Once I receive the relinquishment of permit 51-07297 I will change that recommendation to show the permit was relinquished. I will not send you an update on that change unless you specifically request it.

If you have any questions in regard to your claims, please do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Kay Walker".
