RE: Notice of Claim to Water Right No. A51-02222

Brackett Ranches Ltd.
Flat Creek Ranch
c/o Bert Brackett
Rogerson, ID 83302

Dear Mr. Brackett:

I have been preparing your claims (at Flat Creek Ranch) for preliminary reports and found that I don't have enough information to complete my recommendation on the above referenced claim. This claim is filed for an irrigation well within the SW $\frac{1}{4}$ SE $\frac{1}{4}$, Sec. 16, Twp. 16S, Rge. 11E. What I need to know is the location of the well and where the 5 acres are located that this well irrigates.

I am enclosing a photo of the property so you can mark the location of the well and place of use on it and return it to me so I can finalize the recommendation. I also understand that there is a domestic well within this same 40 acre tract location. I don't need any information on that well but you can mark the location of it on this same map if you wish. Please mark the requested information on this photo and return it to me as soon as possible. Our preliminary recommendations for Basin 51 will be mailed out at the end of July and I would like to get your claims finalized.

If you have any questions in regard to this, please feel free to contact me.

Sincerely,

KAY WALKER

Dear Mr. Brackett:

I have processed the Notice of Change of Water Right Ownership from Mearl Row to Brackett Ranches Ltd. Enclosed for your records are copies of the above referenced notices of claims.

The Notice of Change of Ownership form also contained number 51-02019 which was not claimed in the SRBA because it was superseded by Right 51-00116 in the Bruneau River Decree (see A51-00116 enclosed).

Following my correspondence of March 27, 1994, to you and Blick Ranches, Kenny Blick went into our Southern Regional Office in Twin Falls and amended Claim A51-10299 so that it did not include any of your property. In light of that, I did not make any changes on that claim either.

If you have any questions in regard to this, please do not hesitate to contact me.

Sincerely,

Gentlemen:

I have received a Notice of Change of Water Right Ownership form which conveys property from Mearl Row to Brackett Ranches Ltd. In processing this ownership change, I found that the above referenced Notice of Claim may need to be split between the two ranches shown above. Enclosed is a copy of Claim A51-10299 for your information.

Also enclosed is a copy of a 1979 topographical map which shows the springs claimed under A51-10299. I have also marked on this map the ownership of the property pursuant to a telephone conversation with the Owyhee County Assessor's Office. I need to know if this claim should be split between the two ranches or if Blick Ranches may have filed on the NE $\frac{1}{4}$ SW $\frac{1}{4}$, Sec. 15, Twp. 16S, Rge. 11E in error and may want to amend their claim to lands that they own.

Please advise this office within the next 30 days as to how this matter should be handled. If no response is received within the 30-day period, I will split this claim between the two ranches. If you have any questions in regard to this, please do not hesitate to contact me.

Sincerely,

RE: OWNERSHIP OF LANDS UNDER CLAIM

Pursuant to a request for change of ownership of the above referenced claim, I found that one of the 40-acre tracts listed was not included in the sale from Mearl Row to Brackett, even though the claim number was included on the Notice of Change of Water Right Ownership form. The claim was submitted by Blick Ranches for use of a spring located on the line between the SW $\frac{1}{4}$ SE $\frac{1}{4}$ NW $\frac{1}{4}$ and NW $\frac{1}{4}$ NE $\frac{1}{4}$ SW $\frac{1}{4}$, Sec. 15, Twp. 16S, Rge. 11E. I contacted Owyhee County Assessor's Office to confirm ownership of these two 40-acre tracts and found that Blick Ranches owns the SE $\frac{1}{4}$ NW $\frac{1}{4}$, Sec. 15; Brackett Ranches Inc. owns the NE $\frac{1}{4}$ SW $\frac{1}{4}$, Sec. 15; all Twp. 16S, Rge. 11E.

I will correspond with both parties to find out how this should be handled.

RE: Claims filed in the Snake River Basin Adjudication

Mearle W. &/or Christina A. Row
Rogerson, ID 83302

Dear Claimants:

The Department of Water Resources will be conducting beneficial use and water right claim verification examinations in your area this summer. An examination is needed to verify your water use in order to issue a water right license and/or decree.

Information on your permit or claim which may need to be verified includes source of water, type of usage, amount of water used, number of acres irrigated, and legal descriptions of the points of diversion and/or place of use.

In order to expedite these field examinations, which need to be completed this season, we request that you contact our office at 334-2190 within one week to make an appointment at a time convenient for you. The amount of time required to conduct these exams depends on the number of water rights you have filed. An approximate time can be given when you call to set up the appointment.

Although it is not mandatory that you accompany the field examiner, it does insure that an accurate description of your system will be made. If either yourself, or someone familiar with the system could accompany the examiner it would be beneficial.

To make an appointment, or if you have any questions or problems with scheduling the exam verification, please contact me as soon as possible.

Sincerely,

A handwritten signature in cursive script that reads "Kay Walker".
