Dear Mr. Isaac;

I am writing in regard to two Notices of Claim to a Water Right which you filed in the Snake River Basin Adjudication (SRBA). They are numbered A51-07043A and A51-07148 and are for irrigation from a well in the parcels located in T7S, R4E, Section 5, NE1/4SE1/4 and SE1/4SE1/4.

RE: Claim(s) filed in the Snake River Basin Adjudication.

Dear Mr. Isaac:

The Department of Water Resources will be conducting beneficial use and water right claim verification examinations in your area beginning in June. An examination is needed to verify your water use in order to issue a water right license and/or decree.

Information on your permit or claim which may need to be verified includes source of water, type of usage, amount of water used, number of acres irrigated, and legal descriptions of the point of diversion and/or place of use.

In order to expedite these field examinations, which need to be completed this season, we request that you contact our office at 334-2190 within one week to make an appointment at a time convenient for you. The amount of time required to conduct these exams depends on the number of water rights you have filed. An approximate time can be given when you call for an appointment.

Although it is not mandatory that you accompany the field examiner, it does insure that an accurate description of your system will be made. If either yourself, or someone familiar with the system, could accompany the examiner it would be beneficial.

To make an appointment, or if you have any questions or problems with scheduling the exam verification, please contact me as soon as possible.

Sincerely,

A handwritten signature in cursive script that reads 'Linda A. Werner'.
