PARTIAL DECREES

Subcases: 51-00024B, 51-00025B, 51-00026B,

On July 2, 1999, a *Special Master's Report and Recommendation* was filed for the above listed water rights. No Challenges were filed to the *Special Master's Report and Recommendation* and the time for filing Challenges has now expired.

Pursuant to I.R.C.P. 53(e)(2) and *SRBA Administrative Order 1*, Section 13f, this Court has reviewed the Findings of Fact and Conclusions of Law contained in the *Special Master's Report* and wholly adopts them as its own.

Therefore, IT IS ORDERED that each of the water rights list above are hereby separately decreed as set forth in the attached *Partial Decrees Pursuant to I.R.C.P. 54(b)*. IT IS FURTHER ORDERED that this *Consolidated Order for Entry of Partial Decrees* is entered for the purpose of judicial economy so as to not require the Court to enter an individual order for each separate partial decree. Therefore, in the event of an appeal of a specific partial decree, the record on appeal will be limited to the record established in that specific subcase, and not all of the subcases enumerated in this Consolidated Order.

One possible shortfall with this approach is that Fish and Game may need to apply high diversion rates of water to those acreages with the higher decreed per/acre diversion rates. Nevertheless, I believe this is a fair and accurate way to at least come up with a starting point

Re: IRRIGATION OF FISH & GAME LANDS

I went out to visit the Fish and Game Lands claimed on September 2, 1998 after receiving the Notice of Errors they submitted in response to my proposed recommendations. I met with Dick Orcutt of the Bruneau Fish and Game office. He took me out to the property located in the SE1/4, Sec. 31, T06S, R06E.

The land shown to me in SE1/4, Sec. 31, T06S, R06E was being irrigated and had crops growing on it. I will re-evaluate my recommendations for that property.

Since the land shown to me on September 2, was not the entire property, I obtained a 1995 ASCS photo of the entire property. I could not see any more lands irrigated as found in the SE1/4, S31. I called Dick Orcutt this morning and discussed this with him. He stated that all the property claimed is irrigated. The lands over and above the SE1/4, Sec. 31 are irrigated to produce natural grasses for grazing, wildlife cover, etc. These lands do not appear as other irrigated lands in the area because the fields are not plowed or worked as most irrigated lands. However, according to Mr. Orcutt, the use on these lands could not happen if they did not irrigate. In regard to this, I will re-evaluate all the claims submitted and prepare recommendations for decree.

RE: CONTACT PEOPLE FOR FIELD EXAMINATIONS

Cindy Robertson of the Dept. of Fish and Game has reviewed the copies of the claims they obtained ownership of (originally in the name of Albert Harley) and called me today about these claims. We discussed her questions and she gave me the phone numbers of contacts for our field examinations.

The number one contact is:
Tom Parker 334-2920

If he is not available we can ask for Cindy:
Cindy Robertson 334-2597

They will, in turn, contact the field representative who will be showing us the water systems. It will most likely be Dick Orcutt who is the C.J. Strike area manager.

Dear Mr. Harley:

Upon reviewing the claims filed by you on 1/19/89, I have noticed that A51-00050C and A51-00050D, A51-00051C and A51-00051D, A51-00052C and A51-00052D are candidates for combining into single filings in this Adjudication; as each of the sets have identical priority dates, points of diversion, sources and tributaries, and places of use.

Since combining each set into singular filings would mean a refund of \$50.00 per set (\$150.00 total), I have taken the liberty in combining the claims into singular filings and will request appropriate refunds once I receive the signed claims and authorization form.

If you wish to maintain separate filings and not combine the rights, return the package with a letter indicating that you do not wish to do so.

In any event, please return within 30 days of this letter. If you have any questions, please contact me.

Sincerely,

Eldon L. Roush
