RE: Claims to Water Rights filed in the Snake River Basin Adjudication

Ronald E. Prow
HC 85, Box 127
Bruneau, ID 83604

Dear Mr. Prow:

Enclosed are revised recommendations of your claims. Please note that I have added the points for the Turner & Beiroth ditches to all of your rights that are diverted from the Bruneau River. I have added these as points of re-diversion, since the actual diversion is at the dam. I have also adjusted Rt. 51-02149 (which is your groundwater license) to agree with the amended claim you submitted while in my office on August 13, 1998. The flood water claim, Rt. 51-10270, only needed to be recommended for 6.08 cfs after I determined how much water was already recommended and what was needed to bring your lands up to the flow requirement as determined in the Brockway report.

Please review the enclosed recommendations and the new GIS map attached to your groundwater right. If you have any questions in regard to these, feel free to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Kay Walker".
