HOW YOU WILL RECEIVE NOTICES IN THE SNAKE RIVER BASIN ADJUDICATION

All documents filed in the Snake River Basin Adjudication other than notices of claims are filed with the court. Notices of claims to water rights filed in the Snake River Basin Adjudication are filed with the Idaho Department of Water Resources. Copies of all documents filed in the Snake River Basin Adjudication will not be mailed to all parties (claimants) in the adjudication.

By order of the court, any document filed with the court will be mailed only to those parties who may be directly affected by it. A monthly docket sheet will be prepared by the department which contains a summary of all documents filed with the court in the previous month and the dates and locations of hearings scheduled for the following three months. The docket sheet will be filed with the district court clerk in each county within the Snake River Basin in Idaho. Copies of the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying. If you wish to receive a copy of the docket sheet each month, you should mark the appropriate place on your notice of claim form. You will be charged a small annual subscription fee to cover the cost of copying and mailing. Copies of any document listed on the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying.

Copies of all notices of claims filed with the department will be available for inspection from all offices of the department. Copies of the notices of claims may be obtained in person or by mail, but you will be charged for the cost of copying and mailing. (A claimant will not be charged for a copy of his or her own notice of claim, and a person who acquires property with water rights for which a notice of claim was filed will not be charged for a copy of the notice of claim filed by the previous owner.)

After the notices of claims have been reviewed, the director will prepare and file a report with the court. Part 1 of the report will contain the director's recommendations as to each water right claimed under state law. Part 2 of the report will list each federal reserved water right claimed. A number of reports will be prepared, one or more for each sub-basin in the Snake River Basin. When the report for your sub-basin is filed with the court, you will be mailed a notice informing you that the report for your sub-basin has been filed. The notice will be sent to the most recent address shown by the department's files. Attached to the notice will be a copy of those portions of the report describing the water rights you have claimed. If you do not agree with the way your water right is described, you may file an objection to the report with the court. You can also file an objection if you disagree with the way other claimant's water rights are described, and the notice will tell you where a copy of the full report is available for inspection. The notice will tell you when and where to file your objection. The notice of filing for each sub-basin report will also be published state-wide in local newspapers.

It is very important that you inform the department in writing of any change in your address. This is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

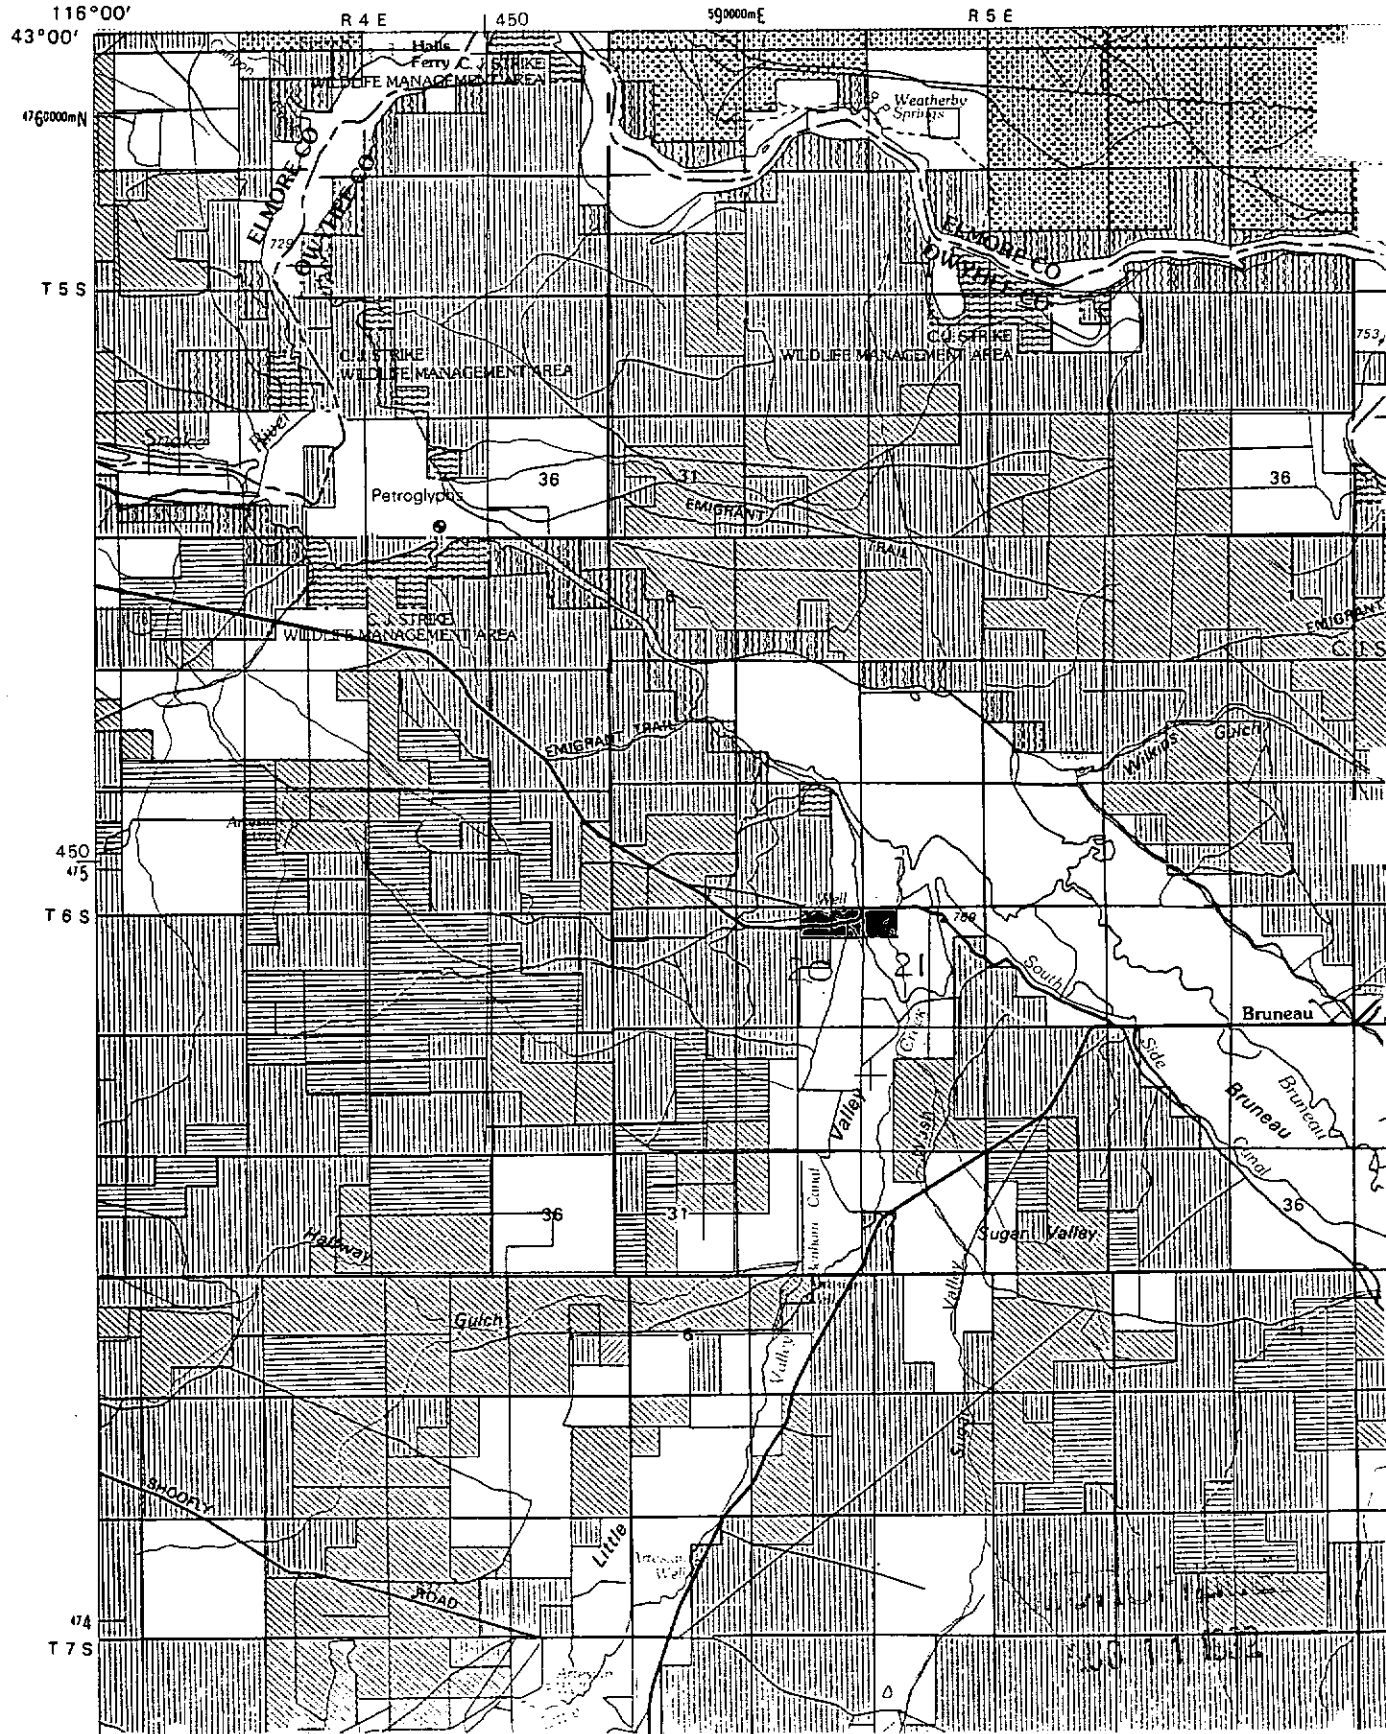

If you are acquiring property with water rights in the Snake River Basin water system in Idaho (either by purchase, gift, inheritance, or other means), it is very important that you inquire of the department whether a notice of claim has been filed. If not, you must file a notice of claim or the water right may be declared by the court to no longer exist. If a notice of claim has been filed, it is very important that you file a written notice of change in ownership with the department. The notice of change in ownership must be accompanied by some evidence of the change in ownership, such as a copy of the deed or a property tax statement showing the name of the new owner. Again, this is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

The cost of the subscription to the docket sheet is \$7.50 for calendar year 1988. The cost of the subscription may increase a small amount for calendar year 1989 if the cost of copying and/or mailing should increase.

If you are planning to file a motion or other pleading (not a notice of claim) with the court (not IDWR), the court has issued an order setting a special procedure that is different from the usual civil rules. A copy of the order may be obtained from any office of IDWR; you may be charged for the cost of mailing and/or copying.

Dear Mr. Conrad:

My name is Susan Bock, and I have taken over Maria Minicucci's position at IDWR.

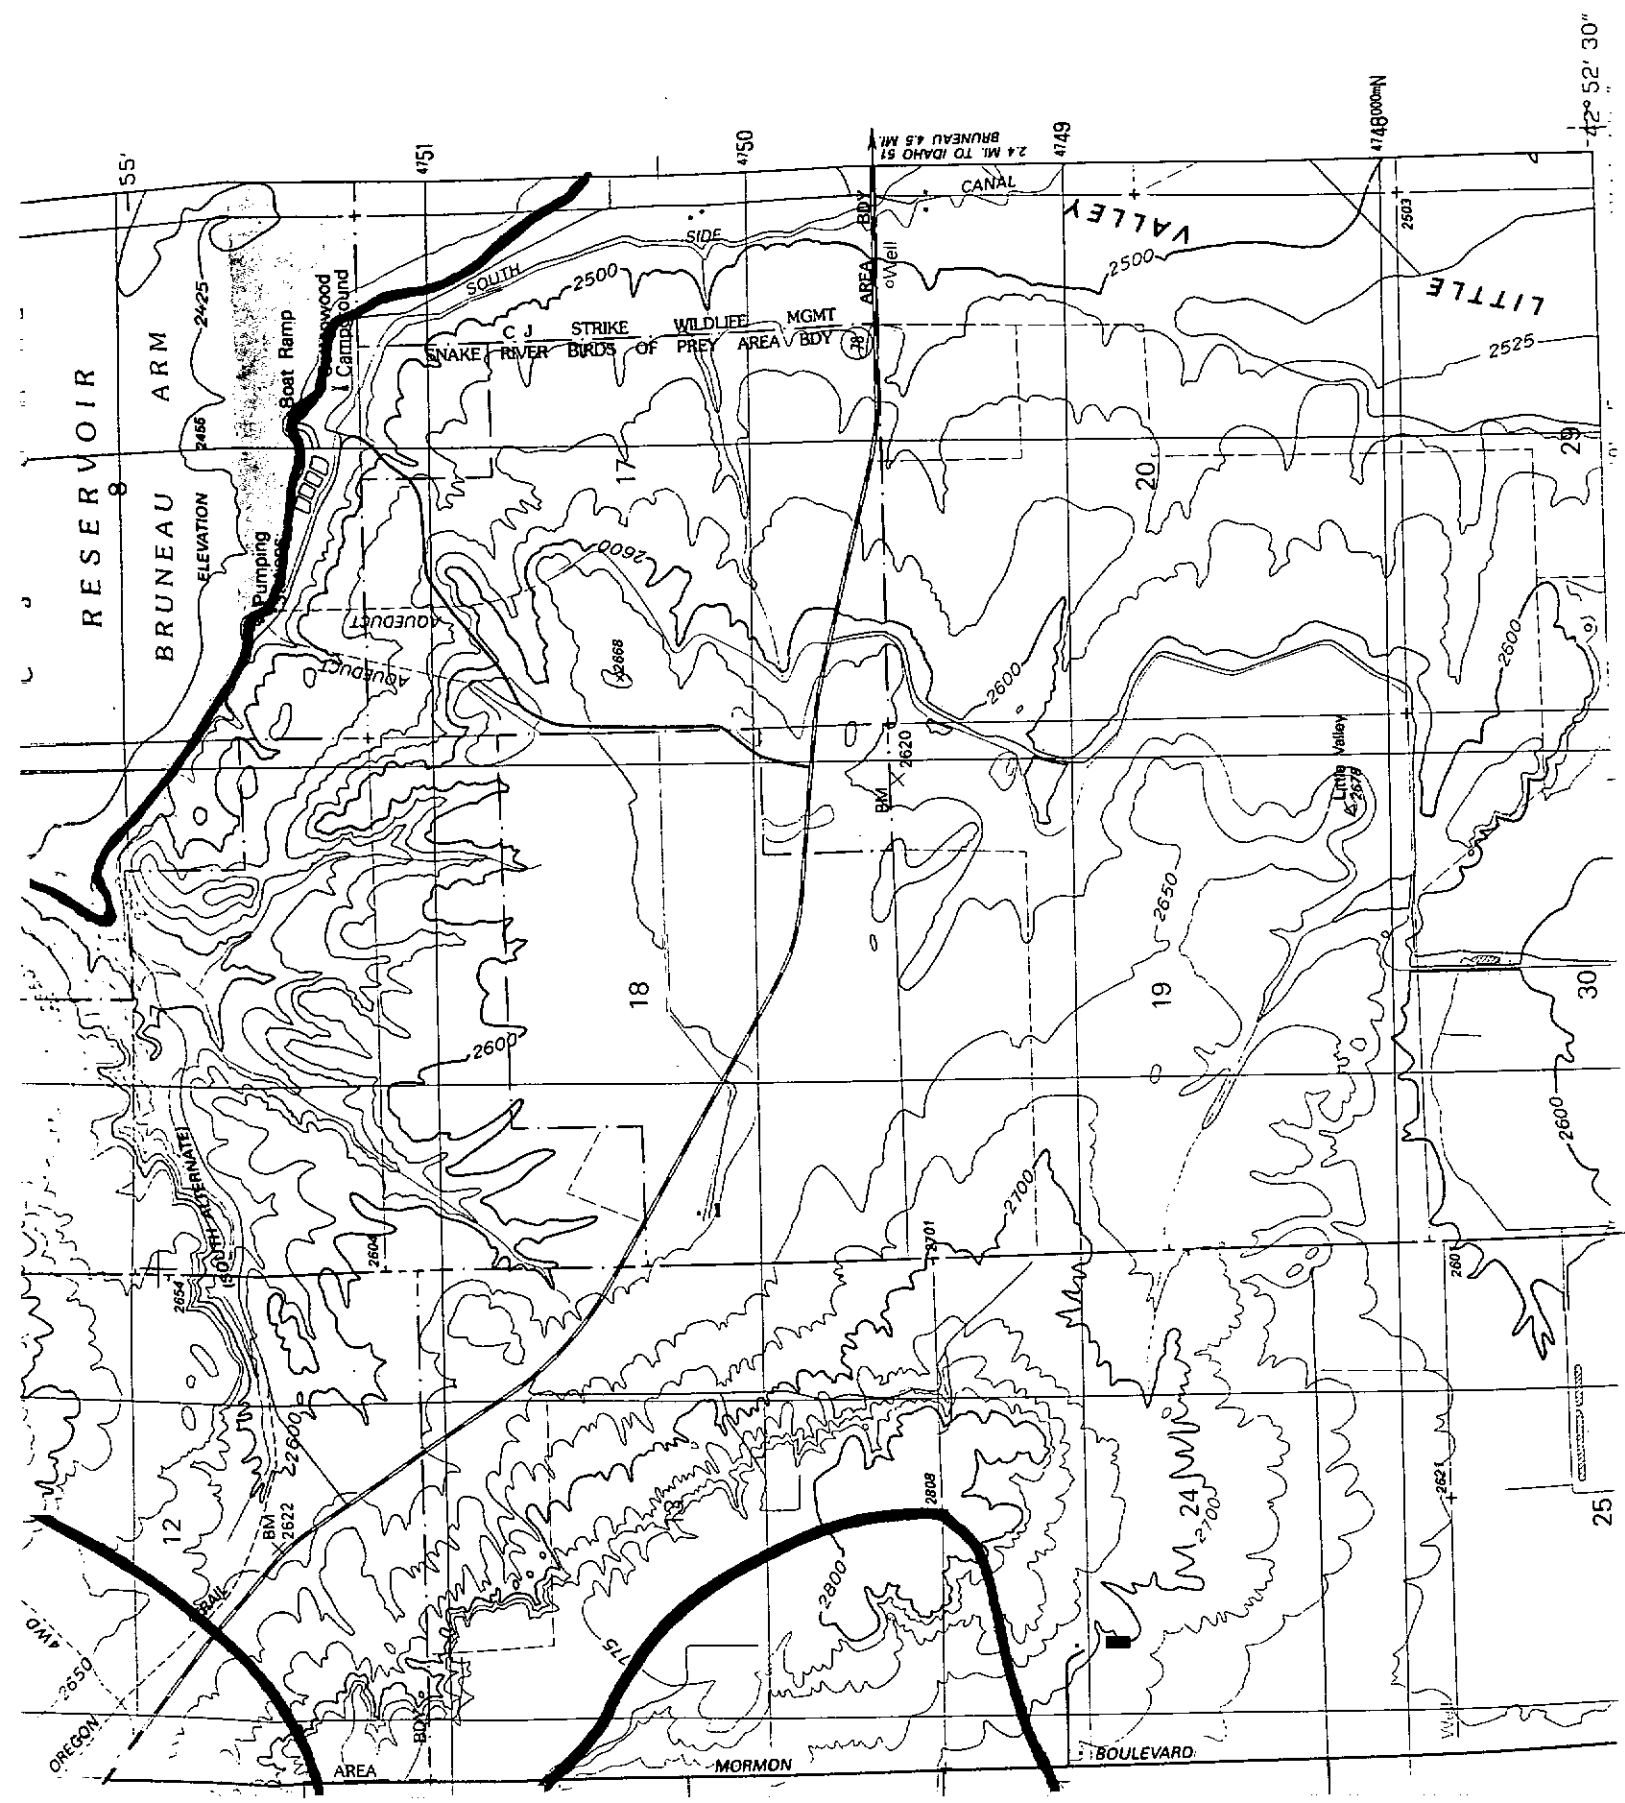

I am in the process of reviewing claims in Basin 51 for final recommendation. I have come across some claims that I have questions on and was hoping that I might e-mail you as the questions arise? Claim 51-10241 was filed on for domestic (1 home) and stockwater. There is some question as to where the house is located. The claim is filed in three different QQs. Our review found houses in both section 20, NENE, and section 21, NWNW.

Would you please investigate this claim filing to determine which house should be recommended and circle it on the enclosed map. Let me know if the claim needs to be amended for more than one home. Please provide this information by April 30, 1998.

Thank you in advance, and please call me if you have any questions, 334-2266 x 108.

Sincerely,

Susan Bock

Hi Vic,

I'm cleaning up some loose ends and find that there is some question as to where the domestic use for this claim is located. The claim is filed on one home but the place of use is in three different QQs. Our review found houses in both section 20, NENE, and section 21, NWNW.

It would be of great assistance to us if you could investigate this claim filing to determine which house should be recommended.

I will be out of the office until June 3, but you can send a reply via email or voice mail. Thanks for your help.

Mr. Conrad:

We are preparing A51-10241 for recommendation to the Court. The claim is for stockwater and one domestic use from groundwater. Unfortunately it is unclear where the domestic use is located. Domestic use is claimed in T06S, R05E, section 20, NENE, NWNE, and T06S, R05E, section 21, NWNW. Review of the USGS topo map found potential home sites in section 20, NENE and section 21, NWNW. It would be very helpful if you could tell us where the domestic use located. The claim must be amended if Simplot wishes to claim additional domestic uses.

Thank you for your assistance in this matter. This claim is due to the Court by June 15, but we would like to resolve this matter as quickly as possible.

Please contact me if you have any questions or comments.

RE: Snake River Basin Adjudication
Case No. 39576 and Subcase Nos. 36-13320 & 57-02203A

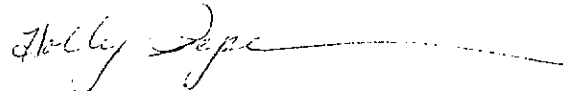

Dear Mr. Shaff:

In response to your letter of March 24, 1994, please modify your records to reflect that Terry T. Uhling and Gray Young are co-counsel of record in the above referenced matter. Mr. Uhling and Mr. Young are in-house counsel for J. R. Simplot Company, and, therefore, would be apprised of all matters relating to the claims of Simplot and its related company subsidiaries and affiliates as a matter of course. The attached Exhibit A does represent all water rights we are aware of at this time to which the Notice applies.

For your information, I have also enclosed a copy of a letter and attached Notice of Withdrawal from Diana Delaney, Chief Deputy Clerk of the Snake River Basin Adjudication Clerk's Office, which indicates that Bruce Belzer never was recorded as being counsel for J. R. Simplot Company.

If you have any questions, feel free to call me at 389-7201.

RE: Appearance of J. R. Simplot in Subcase Nos. 36-13320 and 57-02203A

Dear Mr. Young and Mr. Uhling:

Enclosed I am returning your *Notice of Withdrawal of Counsel* which was received by the court on April 5, 1994, and which stated that Bruce L. Belzer was withdrawing as counsel for J. R. Simplot Company in the above-referenced subcases.

After a search of the files for the above subcase, I am unable to locate any appearance by Bruce L. Belzer. However, on January 28, 1994, a *Notice and Entry of Appearance* was filed on behalf of J. R. Simplot in these subcases. That notice listed Gray Young and Terry Uhling as counsel for J. R. Simplot.

Sincerely,

Diana R. Delaney
Chief Deputy Clerk
