Fees were calculated for the filings of the Brunner Buckaro Litch Co. based on Claim No. A05-10271 which included all of their acres. Then, 81 acres prev. filed on under A51-00002, 00022, 00025 & 10240 were deducted 63 acres under A51-01048 & 24049. Fee then was for 2,909 acres + 4.40¢ + 50¢ = \$3,459.

Subj: RE: late claim questions???

Jeanie's message of questions are shared for all to benefit from the response. Further discussion may be appropriate for our meeting later this month in Twin.

Subj: late claim questions???

Don, we get confused around here as far as late claims go...is this the story?

- Basin 36 - Court approves late claims ? YES
- any different procedures between D/S and irr/com? NO
- Basins 41, 43, 45, 71, 72 - is court approval required ? (have had D&S Director's Reports issued)
FOR ANY CLAIMS, NO. ANY OF THESE
CAN BE INCLUDED IN I&O DIR. REPORTS.
- does Tuthill need to approve late claims or can Doug do it at regional level ?
TIMING IS THE ISSUE. IN MOST
CASES, DOUG (REG. SUPR.) CAN
APPROVE (ALTHOUGH I DON'T THINK OUR
ADJ. MEMO HAS BEEN AMENDED TO DOCUMENT
THIS APPROACH), BUT WHEN A LATE CLAIM IS
PRESENTED JUST AS WE'RE IN THE
FINAL PHASE OF DELIVERING AN I&O (LAST)
DIR. REPORT TO THE COURT BUT ITS
NOT FILED, DAVE OR THE DIRECTOR SHOULD
DENY, NOT DOUG.
- any different procedures between D/S and irr/com?
NO
- Basins 37, 47, and 02 - no late claim approval required ? (these haven't had second round notice yet)
YOU'RE CORRECT ON APPROVAL, BUT
LATE FEES COULD APPLY BECAUSE OF
ROUND 1 SERVICE AND THE CLAIMANT
MAY WISH TO PETITION TO WAIVE THE
LATE FEES. DOUG'S RECOMMENDATION
WITH DAVE'S SIGNING IS THE METHOD
OF CHOICE. COLLECT THE LATE
FEES, HOWEVER.
- same D/S vs Irr/com YES
- Late Fees: - they are never required on D&S, right? YES
- are they still required on others after checking ML3?
YES
- who waives them? Tuthill or Doug? SEE ABOVE

Dear Claimant(s):

In the past, you submitted the above referenced claim(s) in the Snake River Basin Adjudication. Enclosed is a computer generated print-out of the claim(s) for your reference only; this print-out is **NOT** to be returned or re-filed. You have indicated when this claim was filed that the water right(s) was based on either a "Statutory Claim" or "Beneficial Use" of the water. Water rights of this type are established by the historical use of water for a beneficial purpose, dating back to the time the water was first used, this date being the "**Priority Date**" as shown on the enclosed print-out. Your claim(s) has not been confirmed by a previous filing with the Department of Water Resources since there is no decree, license, or permit on file to verify the use of this water. For this reason, the Department is under a legal requirement to gather evidence from claimants supporting the date of priority for claims based on historical beneficial use of water. Any other claims you may have filed, that are not listed above, do not require evidence of priority.

Enclosed is a pamphlet entitled "**Evidence of Priority**" which describes why evidence of the priority date is necessary along with examples of types of evidence that can be submitted to fulfill this requirement. If no evidence is submitted, or we do not hear from you within the time limit below, your priority date, as claimed, may not be recommended to the Court for decree. This could jeopardize your water use under this right(s), if water availability problems arise in the future. It is our goal to decree the historical water rights within the Snake River Basin as accurately as possible. Field exams to verify claims in this area should be conducted this summer by Department personnel. Prior to conducting the field exams, we will contact you to discuss details and schedule a time convenient for you.

Please submit the required evidence supporting the priority date(s) by March 15, 1993, referencing all documents with the corresponding claim number(s). If you have any questions not covered by this letter, or the enclosed pamphlet, please call the toll-free number listed on the back page of the pamphlet or the Western Region office shown above.
