Findings of Fact

Brackett Livestock, Inc., Flat Creek Ranch, Rogerson, Idaho 83302, filed a *Notice of Claim to a Water Right* on January 13, 1989, claiming 3.48 cfs from Big Flat Creek for irrigation of 160 acres from April 1 to November 1 with a priority date of May 1, 1886, based on a decree.

On November 24, 1998, the Director of the Idaho Department of Water Resources filed his *Director's Report, Irrigation and Other Uses, Reporting Area 6, Volume One (IDWR Basin 51)*. The Director recommended the claim as filed, but to irrigate 160.6 acres.

The United States of America, Department of Interior, Bureau of Land Management, filed an *Objection* on March 31, 1999, objecting to place of use. However, on June 22, 2000, the claimant, the United States and IDWR filed a *Standard Form 5* agreeing to irrigation of 156.6 acres.

Conclusions of Law

Brackett Livestock, Inc., is entitled to a partial decree adjudicating a water right under claim 51-10345 as described in the *Standard Form 5* and the *Special Master Recommendation for Partial Decree for Water Right 51-10345*.

Re: Identification Number Change for a Notice of Claim in the
Snake River Basin Adjudication (SRBA)
Owyhee County - Claim No. A51-10345

Dear Claimants,

The identification number of your Notice of Claim to a
Water Right has been changed from A51-00104 to A51-10345. The
claim you filed actually combines two existing rights:
51-00104 and 51-00105. The Idaho Department of Water
Resources assigns identification numbers to claims that will
allow processing without duplication or confusion; this change
does not affect your claim in any other way.

Enclosed is a computer-generated copy of your claim with
the new identification number. Refer to this record number in
any future inquiries or correspondence. Please do not
hesitate to contact this office, if you have any questions.

Sincerely,

Jan Shurte
Adjudication Supervisor
