MEMORANDUM

TO: A51-07103C & A51-07043C

FROM: MEL SCHULTE *MS*

DATE: APRIL 13, 1998

RE: OWNERSHIP OF USDA-FMHA

USDA-FMHA filed the original claims A51-07103C & A51-07043C in 1989. It is not clear in the files if at the time of filing they were lien holders or they held ownership interests. In 1990 they conveyed by Quitclaim Deed part of the property subject to the claims to J.R. Simplot Co. According to the Owyhee County Recorder's Office there are no other deeds that convey the rest of the land by FMHA.

In January 1994 and March 1998 we verified by telephone that none of the land relating to these two claim are recorded in the name of USDA-FMHA. On April 13, 1998 I also verified with Owyhee County there are no lien holder interests of record for the land subject to the claims in the name of USDA-FHMA.

On March 27, 1998 we received a change of ownership request from Edward Wright for a portion of claim A51-07103C and A51-07043D. We are waiting for an ownership change request from J.R. Simplot Co. for the remaining portion. Based on the information described in paragraph two above it is my intention to remove USDA-FMHA from all of the SRBA claims relating to rights 51-07043 & 51-07103.

RE: SRBA CLAIMS A51-07043D & A51-07103C

Dear Mr. Wright:

We were advised by the Owyhee County Assessor's Office you are the owner of land in Owyhee County, Idaho relating to the two water right claims referenced above. They are claims filed by Delbert Wright and the Farmers Home Administration in the Snake River Basin Adjudication (SRBA). Enclosed for your information is a copy of a Quitclaim Deed we obtained from the Owyhee County Records Office that describes the land conveyed to you from Delbert Wright. Also enclosed are computer reports of the two SRBA claims.

I am now reviewing the two claims in preparation of making a recommendation to the SRBA court. It is very important that our recommendations reflect the correct ownership of those portions of the claims that relate to the land you own. It appears that part of each claim referenced above are appurtenant to your property. However, before we can split and apportion the claims to you, we need your signature on the enclosed Notice of Change of Water Right Ownership.

I will be finalizing my recommendations in the next four weeks. I need your completed and signed ownership change form by April 15, 1998. Please call me at the number below if you have any questions concerning this matter.

Sincerely,

Mel Schulte

HOW YOU WILL RECEIVE NOTICES IN THE SNAKE RIVER BASIN ADJUDICATION

All documents filed in the Snake River Basin Adjudication other than notices of claims are filed with the court. Notices of claims to water rights filed in the Snake River Basin Adjudication are filed with the Idaho Department of Water Resources. Copies of all documents filed in the Snake River Basin Adjudication will not be mailed to all parties (claimants) in the adjudication.

By order of the court, any document filed with the court will be mailed only to those parties who may be directly affected by it. A monthly docket sheet will be prepared by the department which contains a summary of all documents filed with the court in the previous month and the dates and locations of hearings scheduled for the following three months. The docket sheet will be filed with the district court clerk in each county within the Snake River Basin in Idaho. Copies of the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying. If you wish to receive a copy of the docket sheet each month, you should mark the appropriate place on your notice of claim form. You will be charged a small annual subscription fee to cover the cost of copying and mailing. Copies of any document listed on the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying.

Copies of all notices of claims filed with the department will be available for inspection from all offices of the department. Copies of the notices of claims may be obtained in person or by mail, but you will be charged for the cost of copying and mailing. (A claimant will not be charged for a copy of his or her own notice of claim, and a person who acquires property with water rights for which a notice of claim was filed will not be charged for a copy of the notice of claim filed by the previous owner.)

After the notices of claims have been reviewed, the director will prepare and file a report with the court. Part 1 of the report will contain the director's recommendations as to each water right claimed under state law. Part 2 of the report will list each federal reserved water right claimed. A number of reports will be prepared, one or more for each sub-basin in the Snake River Basin. When the report for your sub-basin is filed with the court, you will be mailed a notice informing you that the report for your sub-basin has been filed. The notice will be sent to the most recent address shown by the department's files. Attached to the notice will be a copy of those portions of the report describing the water rights you have claimed. If you do not agree with the way your water right is described, you may file an objection to the report with the court. You can also file an objection if you disagree with the way other claimant's water rights are described, and the notice will tell you where a copy of the full report is available for inspection. The notice will tell you when and where to file your objection. The notice of filing for each sub-basin report will also be published state-wide in local newspapers.

14. Remarks:
This Permit (51-7103) seems to have an error in the point of diversion. I believe it is a transposition. The Point of Diversion reads NW $\frac{1}{4}$ SE $\frac{1}{4}$ and it appears it should read SE $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 4. According to the appraisal, it appears the well is located in the SE $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 4.

It is very important that you inform the department in writing of any change in your address. This is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

If you are acquiring property with water rights in the Snake River Basin water system in Idaho (either by purchase, gift, inheritance, or other means), it is very important that you inquire of the department whether a notice of claim has been filed. If not, you must file a notice of claim or the water right may be declared by the court to no longer exist. If a notice of claim has been filed, it is very important that you file a written notice of change in ownership with the department. The notice of change in ownership must be accompanied by some evidence of the change in ownership, such as a copy of the deed or a property tax statement showing the name of the new owner. Again, this is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

The cost of the subscription to the docket sheet is \$7.50 for calendar year 1988. The cost of the subscription may increase a small amount for calendar year 1989 if the cost of copying and/or mailing should increase.

If you are planning to file a motion or other pleading (not a notice of claim) with the court (not IDWR), the court has issued an order setting a special procedure that is different from the usual civil rules. A copy of the order may be obtained from any office of IDWR; you may be charged for the cost of mailing and/or copying.
