MEMORANDUM

TO: A51-07103C & A51-07043C

FROM: MEL SCHULTE *MS*

DATE: APRIL 13, 1998

RE: OWNERSHIP OF USDA-FMHA

USDA-FMHA filed the original claims A51-07103C & A51-07043C in 1989. It is not clear in the files if at the time of filing they were lien holders or they held ownership interests. In 1990 they conveyed by Quitclaim Deed part of the property subject to the claims to J.R. Simplot Co. According to the Owyhee County Recorder's Office there are no other deeds that convey the rest of the land by FMHA.

In January 1994 and March 1998 we verified by telephone that none of the land relating to these two claim are recorded in the name of USDA-FMHA. On April 13, 1998 I also verified with Owyhee County there are no lien holder interests of record for the land subject to the claims in the name of USDA-FHMA.

On March 27, 1998 we received a change of ownership request from Edward Wright for a portion of claim A51-07103C and A51-07043D. We are waiting for an ownership change request from J.R. Simplot Co. for the remaining portion. Based on the information described in paragraph two above it is my intention to remove USDA-FMHA from all of the SRBA claims relating to rights 51-07043 & 51-07103.

11. In which county (ies) are lands listed above as place of use located? Owyhee

12. Do you own the property listed above as place of use? Yes X No _____
If your answer is No, describe in Remarks below the authority you have to claim this water right.

13. Describe any other water rights used at the same place and for the same purposes as described above.
Yes Permit #51-7148 and Permit #51-7043 also cover this property or None ()

14. Remarks:
This Permit (51-7103) seems to have an error in the point of diversion. I believe it is a transposition. The Point of Diversion reads NW $\frac{1}{4}$ SE $\frac{1}{4}$ and it appears it should read SE $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 4. According to the appraisal, it appears the well is located in the SE $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 4.

RE: SRBA CLAIMS A51-07043D & A51-07103C

Dear Mr. Wright:

We were advised by the Owyhee County Assessor's Office you are the owner of land in Owyhee County, Idaho relating to the two water right claims referenced above. They are claims filed by Delbert Wright and the Farmers Home Administration in the Snake River Basin Adjudication (SRBA). Enclosed for your information is a copy of a Quitclaim Deed we obtained from the Owyhee County Recorders Office that describes the land conveyed to you from Delbert Wright. Also enclosed are computer reports of the two SRBA claims.

I am now reviewing the two claims in preparation of making a recommendation to the SRBA court. It is very important that our recommendations reflect the correct ownership of those portions of the claims that relate to the land you own. It appears that part of each claim referenced above are appurtenant to your property. However, before we can split and apportion the claims to you, we need your signature on the enclosed Notice of Change of Water Right Ownership.

I will be finalizing my recommendations in the next four weeks. I need your completed and signed ownership change form by April 15, 1998. Please call me at the number below if you have any questions concerning this matter.

Sincerely,

Mel Schulte
