H. REMARKS AND OVERLAP REVIEW ANALYSIS

no overlapping claims - Permit states 2 wells - a applicant told me only about the well in NW NE Sec 12 T7S R3E. Applicant wasn't satisfied with anemeter measurement, so I remeasured the second time with a pygmy flow meter. There isn't significant difference between the two measurements.

ADJUDICATION MEMORANDUM

CLAIM NO.: A51-07115

SUBJECT: Verification

EMPLOYEE: Kay Walker

DATE: 8-16-1993

In reviewing this file & Jan's note regarding the points of discussion, I found the following.

The field exam was conducted in May of 1986. There was only 1 well shown to the examiner which was in Section 12.

In July of ~~1986~~¹⁹⁸⁷ the Dept. began the "drilling permit" program for any new wells. We do not show any permit issued to drill a new well in this area. There are no well logs on file for either well claimed.

The claimants filed this claim based on the permit which indicated 2 wells would be developed; claim filed in January of 1989. Dept. licensed permit in May of 1989 and did not receive a response to their pre-license letter showing only 1 well to be licensed.

Assume only 1 well is developed.

Dear Sue,

I recieved a letter from you on 3-27-92 concerning my Water Right License - Claim No. A51-10099. This letter stated the owner of this claim is listed as William Hagerhorst of Burrean, Idaho who is my neighbor to the South-West but hasn't anything to do with this water right. I then called the Dept of Water Res on orchard street and talked to Stacey White about the letter. She advised me to check the legal description on my water license to make sure it is correct which I have done and I find there has been a mistake made in the legal description. So I called Stacey White once again and told her what I had found. She advised me to send you records showing legal description and proof of ownership. I am sending copies of my 1991 Tax notices with legal description circled and will also send copy of Contract on land with legal description. I'll also send copy of water license. Please advise me of anything else you might need as I want to get this thing cleared up.

Thank you,
Wilbur C. Masthe

Department of Water Resources
Western Regional Office

P.S.

I'll also send copy of letter which I recieved.
