2. Describe the changes you wish to make in the proposed recommendation:

Boise, ID 83709**

**Echo Water Users Association, Inc.

Point of Diversion: **T.11S R.9E Section 23 SW¼SW¼SW¼
T.10S R.8E Section 9 SE¼SW¼SE¼**

3. Give a brief explanation as to why you disagree with these portions:

Name and Address:

The project identified under this water right is the result of a cooperative effort between Echo Water User's Association, Inc. ("Echo") and the Bureau of Land Management ("BLM"). As part of this project Echo and the BLM mutually agreed to jointly own the water rights authorizing the diversion and use of water diverted under this system. During the developmental stage of perfecting this water right, the BLM assigned its interest in IDWR Permit No. 51-07292 to the BLM and Echo (copy of assignment attached). The IDWR's recommendation should be corrected to identify the joint ownership of this right.

Point of Diversion:

During the development of this project two alternate points of diversion were constructed and used to divert water from the source identified under this water right. A third point of diversion was also constructed and subsequently abandoned. The IDWR's recommendation for this water right should be corrected to identify the existing alternate points of diversion. One of these existing points of diversion is located in the SW $\frac{1}{4}$ SW $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 23 T.11S R.9E. The other alternative diversion point is located in the SE $\frac{1}{4}$ SW $\frac{1}{4}$ SE $\frac{1}{4}$ T.10S R.8E Section 9. The IDWR's recommendation should also be corrected to remove the point of diversion that was abandoned. The abandoned point of diversion was located in the NE $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 15 T. 11S R.9E.

_____ I AGREE with this proposed recommendation; no changes need to be made.
