WHEREAS, On the twenty-fifth day of February, A. WHEREAS, On the twenty-fifth day of August, A. D. 1905, the holder of said permit duly made proof of the completion of adequate works for the diversion of one and one-half cubic feet per second of said waters, as evidenced by my Certificate No. 1127, dated September 12, 1905, confirming the completion of works of sufficient capacity for diverting and conveying to the place of intended use one and one-half cubic feet per second of water, with date of priority of January 20, 1905; and,

Re: 55-02000 & 55-02017

Dear Mr. & Mrs. Dougal:

After you left our office on March 13th, I compared the place of use for your water rights to our BLM maps. I found parts of four fields that may be on BLM land. As you requested, I removed from the place of use for the above referenced rights the corners that might be on BLM land.

Enclosed with this letter are new maps and new Profile Reports for your records that show the changes I made. Please review these maps and reports and call me at the number below if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Mel Schulte".
