Dear Mr. Maher:

I am conducting final review of the above referenced claims, which your father filed in the Snake River Basin Adjudication, to water rights from Lone Tree Creek.

I have, in our files, memos that I prepared saying that all correspondence and/or inquiries in regard to these claims should be sent to you. However, since these claims are in your father's name only, we need some documentation that you are authorized to act on his behalf. Please send me a copy of the power of attorney or other legal document that authorizes you to act for your father. If we don't receive this documentation, we have no choice but to continue to send our correspondences to the address shown on the claims (i.e. William E. Maher, Rt. 3, Jordan Valley).

If you have any questions in regard to this matter, please do not hesitate to contact me.

Sincerely,

Kay Walker

RE: EVIDENCE OF PRIORITY

Mr. William Maher was in the office today accompanied by his brother-in-law, Robert Cartwright. They brought in the original of the attached affidavit to establish priority for this claim. Mr. Cartwright claimed that the Department had this affidavit previously and would not release the original because they did not want us to "misplace" it. Rather than disagree with them, I copied the original affidavit and returned it to them. The affidavit was completed by Clara Maher who was William Maher's mother.

Mr. Cartwright also requested that we direct our correspondence regarding this claim to Mr. Michael Maher in California. He is Mr. William Maher's son, guardian, and power-of-attorney. Mr. Cartwright did not have Michael Maher's home address so he left me a copy of his business card which has his home phone number listed on the top.

They want to cooperate with us in regard to this claim, asking what further documentation they could provide to establish priority. I suggested a copy of the homestead entry for this land may be helpful.
