Subject: CLAIMS

COMMENTS:Jan, more and more and more answers. In no particular order, they are:

A51-10602(5101680230)	I have sent a copy of e-mail message from the field as well as the new claim. Priority date has also been changed along with your problems.
A55-02349(5501688137)	Amended location is actually correct. The location on license is incorrect, the only water in that area is a spring. The head water rights coordinator checked this one out himself. I sent you his e-mail, plus the actual claim.
A55-02350(5501688138)	According to the file and the verification, no claim is where the license says it is. The person verifying found this project in the location on the amended claim. That is the best I can do.
A55-04131(5501688239)	I'm not sure what is wrong with this one. Our file and verification sheet shows the location to be the same as the license. Your fax says the new claim is identical to the original claim. Maybe, or I should say probably, I'm not getting it. Let me know on this one.

Thanks, Walt

Subject: BLM Claim 55-01688137 - *55-02349*

The subject claim is for a reservoir located in T12S, R1E, sec.18, NENW. This claim was verified as having water present.

An undeveloped spring is located at T12S, R1E, sec.18, NBSW. The BLM claim # for this spring is 55-01680098.

Verification of the undeveloped spring indicated evidence of water.

Water right license 55-02349 should be amended to show the correct location of the reservoir.
