STANDARD FORM 5

STIPULATED ELEMENTS OF A
WATER RIGHT

This form is used to report the stipulated elements of one water right acquired under state law and/or one federal reserved water right. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; that they have been served with sufficient process, according to the law; and that they have appeared, prosecuted, and defended their positions with regard to this water right dispute.

Two rights are split from and constitute the whole of 55-10048. These split rights were created to represent separate priority dates for the development of each right.

The parties and IDWR agree and stipulate that the elements of 55-10048A and 55-10048B should be described per the attached. The parties and IDWR have further indicated their concurrence by initialing each of the attached pages.
