HOW YOU WILL RECEIVE NOTICES IN THE SNAKE RIVER BASIN ADJUDICATION

All documents filed in the Snake River Basin Adjudication other than notices of claims are filed with the court. Notices of claims to water rights filed in the Snake River Basin Adjudication are filed with the Idaho Department of Water Resources. Copies of all documents filed in the Snake River Basin Adjudication will not be mailed to all parties (claimants) in the adjudication.

By order of the court, any document filed with the court will be mailed only to those parties who may be directly affected by it. A monthly docket sheet will be prepared by the department which contains a summary of all documents filed with the court in the previous month and the dates and locations of hearings scheduled for the following three months. The docket sheet will be filed with the district court clerk in each county within the Snake River Basin in Idaho. Copies of the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying. If you wish to receive a copy of the docket sheet each month, you should mark the appropriate place on your notice of claim form. You will be charged a small annual subscription fee to cover the cost of copying and mailing. Copies of any document listed on the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying.

Copies of all notices of claims filed with the department will be available for inspection from all offices of the department. Copies of the notices of claims may be obtained in person or by mail, but you will be charged for the cost of copying and mailing. (A claimant will not be charged for a copy of his or her own notice of claim, and a person who acquires property with water rights for which a notice of claim was filed will not be charged for a copy of the notice of claim filed by the previous owner.)

After the notices of claims have been reviewed, the director will prepare and file a report with the court. Part 1 of the report will contain the director's recommendations as to each water right claimed under state law. Part 2 of the report will list each federal reserved water right claimed. A number of reports will be prepared, one or more for each sub-basin in the Snake River Basin. When the report for your sub-basin is filed with the court, you will be mailed a notice informing you that the report for your sub-basin has been filed. The notice will be sent to the most recent address shown by the department's files. Attached to the notice will be a copy of those portions of the report describing the water rights you have claimed. If you do not agree with the way your water right is described, you may file an objection to the report with the court. You can also file an objection if you disagree with the way other claimant's water rights are described, and the notice will tell you where a copy of the full report is available for inspection. The notice will tell you when and where to file your objection. The notice of filing for each sub-basin report will also be published state-wide in local newspapers.

[illegible]

SEP 29 1992

It is very important that you inform the department in writing of any change in your address. This is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

If you are acquiring property with water rights in the Snake River Basin water system in Idaho (either by purchase, gift, inheritance, or other means), it is very important that you inquire of the department whether a notice of claim has been filed. If not, you must file a notice of claim or the water right may be declared by the court to no longer exist. If a notice of claim has been filed, it is very important that you file a written notice of change in ownership with the department. The notice of change in ownership must be accompanied by some evidence of the change in ownership, such as a copy of the deed or a property tax statement showing the name of the new owner. Again, this is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

The cost of the subscription to the docket sheet is \$7.50 for calendar year 1988. The cost of the subscription may increase a small amount for calendar year 1989 if the cost of copying and/or mailing should increase.

If you are planning to file a motion or other pleading (not a notice of claim) with the court (not IDWR), the court has issued an order setting a special procedure that is different from the usual civil rules. A copy of the order may be obtained from any office of IDWR; you may be charged for the cost of mailing and/or copying.

RE: Notice of Claim No. A55-10183

Dear Mr. Campbell:

This letter is to clear up some misunderstanding regarding Owen Family Revocable Trust correspondence you received from our office in January 1992.

The Notice of Claim No. A55-10139 filed by your clients is being processed as filed in the Snake River Basin Adjudication. Correspondence from our state office regarding a change of ownership for Notice of Claim No. A55-10183, as filed by Riddle Ranches covers the same property as claimed in A55-10139. The clerk who was data entering the recommended claims sent your clients a Change of Ownership letter in error. The filing of A55-10183 will not effect your clients filing of A55-10139, since Owen Family Revocable Trust has a vested interest in the property on which the water right was claimed.

Therefore, Notice of Claim #A55-10139 stands accurate as filed. If you have any further questions regarding this matter, please call this office.

Yours truly,

Donald V. Shaff
Manager, Adjudication Section

Re: Notice of Claim No. A55-10183, Your Correspondence
Dated January 16, 1992

Dear Mr. Shaff:

I am writing on behalf of this firm's client, Mr. Richard L. Owen, co-trustee of Owen Family Revocable Trust. Mr. Owen received a form letter from you dated January 16, 1992, regarding the above-captioned Notice of Claim in the Snake River Basin Adjudication. Mr. Owen requested me to investigate the matter for him.

On January 24, 1992, I attempted to contact you by telephone but was unsuccessful. Instead, I spoke with Ms. Sally Frazee, your secretary, concerning the above-referenced correspondence. Ms. Frazee indicated that this document had been prepared and mailed by an individual in the Adjudication Section, but that you personally were not involved. She also indicated that there was probably a mistake in the mailing, and that in all likelihood Mr. Owen would not have to do anything additional concerning the matter. She also indicated to me that an individual by the name of Danny Smith would be contacting me as a follow-up to my telephone inquiry.

I informed Sally Frazee that my initial review of the claims filed on behalf of Mr. Owen did not indicate that this water right number was one of the water rights in his possession. I reviewed the documentation immediately available to me with regard to Mr. Owen's water rights, but was unable to discover a copy of this water right claim. This indicated to me that he may not have claimed this water right under this number. Additionally, I attempted to access the Idaho Department of Water Resources' database in order to examine the claim itself. Unfortunately, due to a technical difficulty with the Department's outside access lines, I was unable to accomplish this database search.

I am confident that Danny Smith will contact me concerning this matter so that the apparent misunderstanding can be resolved. I assume that this constitutes an appropriate response prior to the date listed on the correspondence of January 30, 1992. I will not take any further action on behalf of Mr. Owen until I have had an opportunity to discuss this matter with Danny Smith in greater detail.

Thank you for your anticipated cooperation in this matter.
