I Donald G. McKay being first duly sworn,
deposes and says: I believe the diversion
ditch that irrigates the 59 acres
in Oregon also irrigated the Idaho
property. How many acres I do not
know. So no doubt the priority date
would be the same in Idaho as
Idaho. The reason I used 1928
as the priority date for Idaho is
because that's when it was deeded
but no doubt it was irrigated
long before then.

RE:

He came in today & submitted the claim for his OR lands. The 1879 is verified by the attached OR license.

Mr. McKay submitted an affidavit substantiating that the diversion was an ID diversion. May want to talk to O.R.D.W.R. to see if they ever issued licenses on ID diversions. Also note the amount of water this was licensed for.

If he can find evidence supporting the ID lands w/ an 1879 priority he may amend A55-4071.
