COMMENTS: Jan, good morning. I have a whole bunch of claims for you. I wanted to make sure that these were correct claims. Some might overlap others we have done but I can't tell because I lost so much computer data. What I have are claims that really are developments and the field finally sent me dates on them. They are pre 71 and are reservoirs. I didn't feel right going with a 1874 date on them. I hope this isn't too late. Sorry about me giving them to you so late in the process. I have the answers to some of your questions and will wrap them all up tomorrow. Have a nice day.

Thanks, Walt
