my brothers and we purchased the Pleasant
Valley property containing 400 acres, more or

at the time we purchased this land. The water sources
were a spring in a small canyon by the cabin and
also a creek on the property known as Cottonwood-creek.
From time to time during the years we owned the

RE: A55-13680

Dear Ted:

Enclosed is the new claim that we discussed during our meeting at Marsing on March 30th. This claim covers irrigation from a spring for the same land irrigated by right 55-04077. You will note that I added five additional acres to the two acres I had proposed in the SWSW, Sec. 17 for a total of seven acres in that legal description and a total of 30 for the whole claim.

Please review the enclosed claim carefully. If it meets with your approval, you or one of the partners needs to sign it in front of a notary public. Return the signed claim to me with a check in the amount of \$50 for the filing fee. It is very important that I receive the signed claim back before April 15th if you want it included in the Basin 55 report to the court.

Call me at the number below if you have any questions.

Sincerely,
Mel Schulte

RE: A55-04077 & A55-13680

Enclosed are copies of receipt #W023727, two GIS maps and two profile reports relating to the above referenced Snake River Basin Adjudication claims.

The map and report for A55-04077 describe the addition of five acres based on the changes Ted requested at the March 30th meeting in Marsing. The map and report for A55-13680 describe our recommendations for this new claim you filed on April 14th. The new claim covers the same land described in 55-04077 but from a spring as the source of water. Receipt W023727 is for the \$50 filing fee you remitted with A55-13680.

No changes were made to our recommendation for your other irrigation claim A55-04076.

Please review the enclosed documents and let me know immediately if you have any questions.

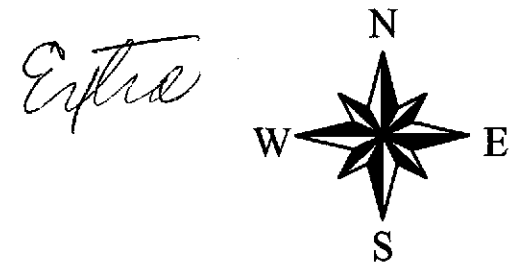

Sincerely,
Mel Schulte
