Dear Mr. and Mrs. Pincher,

If you are the owners of a parcel of land in Owyhee County formerly owned by Larry Adams, you may want to file the enclosed document with this office.

Mr. Adams filed a Notice of Claim to Water Right for the Reynolds Creek water he used under the Wilson ditch. He made that filing and complied with the summons or court order coming out of what can commonly be called the Reynolds Creek Adjudication. Succeeding to the water right Adams used, you would now want to file an amended claim to give the other parties notice that you are now the owner of the land and holder of the water right. You will then be advised of the pending actions and proceedings. By signing the claim with your signature(s) notarized and returning the claim to this office, you will join the adjudication of the Reynolds Creek water rights.

If you have any questions, please contact this office.

Regards,

Re: Claim 57-2093B and Domestic Well Claim

Please be advised that we purchased ten acres of land and buildings with all water rights and is so evident by our warranty deed #148520, recorded the tenth day of September 1976. Also on Title Insurance #6-04928, order #1606.

We have no knowledge of any claim by a Fredrick Hallberg. We are aware that Mr. Hallberg owns some alkali and sage brush land bordering our property but has not, nor would he have any reason to water it to the best of our knowledge.

Please advise us if your investigation proves otherwise so that we might determine if there is any legal action we need to initiate.

Sincerely,

Larry E. Adams

Dear Mr. Adams:

The Department of Water Resources is in the process of accepting Claims To A Water Right on all the water rights in the Reynolds Creek Drainage.

The enclosed claim, 57-2093B, is a license for 5 acres on your property. The other portion of this right is on Frederick Hallberg's property.

If you have a domestic well for your home, please insert the date or priority. This date is the day the well was put to beneficial use. Sign these claims before a notary public and return to this office as soon as possible.

There is a \$30.00 filing fee for these two claims. Make the check payable to the Department of Water Resources.

If we can be of any further assistance, feel free to contact this office.
