RE: FILING FEES

Mr. Agenbroad came into the office today to file on the above referenced claim. He received a "special" letter from Roxanne which was not considered to be second round notice. Mr. Agenbroad had been into the office previously to file on his water rights. He uses water from Reynolds Creek Irrigation District and from Reynolds Creek direct. He did file a claim on his domestic system when he was in but was advised that the irrigation district would be the party that needed to file on his other rights. The irrigation district has filed on his lands which they cover so I did not charge him a fee for the 39 acres irrigated, and the late fee was waived since he had previously pursued filing on his rights.
