HOW YOU WILL RECEIVE NOTICES IN THE SNAKE RIVER BASIN ADJUDICATION

All documents filed in the Snake River Basin Adjudication other than notices of claims are filed with the court. Notices of claims to water rights filed in the Snake River Basin Adjudication are filed with the Idaho Department of Water Resources. Copies of all documents filed in the Snake River Basin Adjudication will not be mailed to all parties (claimants) in the adjudication.

By order of the court, any document filed with the court will be mailed only to those parties who may be directly affected by it. A monthly docket sheet will be prepared by the department which contains a summary of all documents filed with the court in the previous month and the dates and locations of hearings scheduled for the following three months. The docket sheet will be filed with the district court clerk in each county within the Snake River Basin in Idaho. Copies of the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying. If you wish to receive a copy of the docket sheet each month, you should mark the appropriate place on your notice of claim form. You will be charged a small annual subscription fee to cover the cost of copying and mailing. Copies of any document listed on the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying.

Copies of all notices of claims filed with the department will be available for inspection from all offices of the department. Copies of the notices of claims may be obtained in person or by mail, but you will be charged for the cost of copying and mailing. (A claimant will not be charged for a copy of his or her own notice of claim, and a person who acquires property with water rights for which a notice of claim was filed will not be charged for a copy of the notice of claim filed by the previous owner.)

After the notices of claims have been reviewed, the director will prepare and file a report with the court. Part 1 of the report will contain the director's recommendations as to each water right claimed under state law. Part 2 of the report will list each federal reserved water right claimed. A number of reports will be prepared, one or more for each sub-basin in the Snake River Basin. When the report for your sub-basin is filed with the court, you will be mailed a notice informing you that the report for your sub-basin has been filed. The notice will be sent to the most recent address shown by the department's files. Attached to the notice will be a copy of those portions of the report describing the water rights you have claimed. If you do not agree with the way your water right is described, you may file an objection to the report with the court. You can also file an objection if you disagree with the way other claimant's water rights are described, and the notice will tell you where a copy of the full report is available for inspection. The notice will tell you when and where to file your objection. The notice of filing for each sub-basin report will also be published state-wide in local newspapers.

It is very important that you inform the department in writing of any change in your address. This is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

If you are acquiring property with water rights in the Snake River Basin water system in Idaho (either by purchase, gift, inheritance, or other means), it is very important that you inquire of the department whether a notice of claim has been filed. If not, you must file a notice of claim or the water right may be declared by the court to no longer exist. If a notice of claim has been filed, it is very important that you file a written notice of change in ownership with the department. The notice of change in ownership must be accompanied by some evidence of the change in ownership, such as a copy of the deed or a property tax statement showing the name of the new owner. Again, this is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

The cost of the subscription to the docket sheet is \$7.50 for calendar year 1988. The cost of the subscription may increase a small amount for calendar year 1989 if the cost of copying and/or mailing should increase.

If you are planning to file a motion or other pleading (not a notice of claim) with the court (not IDWR), the court has issued an order setting a special procedure that is different from the usual civil rules. A copy of the order may be obtained from any office of IDWR; you may be charged for the cost of mailing and/or copying.

RE: NOTICE OF CLAIM NO. A57-02292

LODGE LAND & LIVESTOCK CO.
P.O. Box 128
Caldwell, ID 83605

Dear Claimant:

We are currently in the process of preparing the above referenced Notice of Claim for court decree in the Snake River Basin Adjudication. During this review certain questions arose concerning the claim listed above. All claims with an A57 prefix number are being reviewed at this time. If you have other claims with this prefix, that are not shown here, we may be contacting you again if questions should arise during their review. Also, if you filed other claims with yet a different prefix for the claim number, such as A02, A51 or A55, please be advised that these claims will be reviewed at a later date. The following claim requires the information or changes listed:

Claim No. A57-02292

An investigation was conducted on this claim to verify the water right information. During this review some discrepancies were found between the claim and previous use of the water. In order to recommend the claim accurately to the court we need to make some changes to this claim.

Enclosed are two computer generated copies of this claim. One copy is the claim as it was filed by you in the Snake River Basin Adjudication. This claim has an Identification No. A57-02292 (upper right-hand corner of page one). The other copy reflects the changes to be recommended to the Court and is Identification No. R57-02292. The highlighted items are the items that have been changed as a result of our investigation.

We noticed that you did not file on the lands in the SW $\frac{1}{4}$ SW $\frac{1}{4}$ (25 acres) and NW $\frac{1}{4}$ SE $\frac{1}{4}$ (1 acre), Section 19, Twp. 3N, Rge. 4W. I have enclosed a copy of the ASCS photo that was used on the original licensing examination of this right and marked the land in question for your information. If you haven't irrigated this land in the last five years we could not recommend it anyway. However, if you have irrigated it within the last five years you should come in and

MICROFILMED

amend your claim or these lands will be without water rights once the decree is issued. If, someday in the future, you wish to resume the irrigation of the land you can always come in and file a new application for permit for this purpose.

Please review these changes and if you disagree with any of them, you must contact us by the response date listed at the top of this letter. If you do not respond by this date, we will assume you agree with our findings and this claim will be recommended to the court with the changes shown.

Thank-you for your cooperation. If you should have any questions, or if you need help in any way, please feel free to contact me at (208)334-2190.

Sincerely,

KAY WALKER
