Notices of claims to water rights filed in the Snake River Basin Adjudication are filed with the Idaho Department of Water Resources. Copies of all documents filed in the Snake River Basin Adjudication will not be mailed to all parties (claimants) in the adjudication.

By order of the court, any document filed with the court will be mailed only to those parties who may be directly affected by it. A monthly docket sheet will be prepared by the department which contains a summary of all documents filed with the court in the previous month and the dates and locations of hearings scheduled for the following three months. The docket sheet will be filed with the district court clerk in each county within the Snake River Basin in Idaho. Copies of the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying. If you wish to receive a copy of the docket sheet each month, you should mark the appropriate place on your notice of claim form. You will be charged a small annual subscription fee to cover the cost of copying and mailing. Copies of any document listed on the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying.

Copies of all notices of claims filed with the department will be available for inspection from all offices of the department. Copies of the notices of claims may be obtained in person or by mail, but you will be charged for the cost of copying and mailing. (A claimant will not be charged for a copy of his or her own notice of claim, and a person who acquires property with water rights for which a notice of claim was filed will not be charged for a copy of the notice of claim filed by the previous owner.)

After the notices of claims have been reviewed, the director will prepare and file a report with the court. Part 1 of the report will contain the director's recommendations as to each water right claimed under state law. Part 2 of the report will list each federal reserved water right claimed. A number of reports will be prepared, one or more for each sub-basin in the Snake River Basin. When the report for your sub-basin is filed with the court, you will be mailed a notice informing you that the report for your sub-basin has been filed. The notice will be sent to the most recent address shown by the department's files. Attached to the notice will be a copy of those portions of the report describing the water rights you have claimed. If you do not agree with the way your water right is described, you may file an objection to the report with the court. You can also file an objection if you disagree with the way other claimant's water rights are described, and the notice will tell you where a copy of the full report is available for inspection. The notice will tell you when and where to file your objection. The notice of filing for each sub-basin report will also be published state-wide in local newspapers.

It is very important that you inform the department in writing of any change in your address. This is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

If you are acquiring property with water rights in the Snake River Basin water system in Idaho (either by purchase, gift, inheritance, or other means), it is very important that you inquire of the department whether a notice of claim has been filed. If not, you must file a notice of claim or the water right may be declared by the court to no longer exist. If a notice of claim has been filed, it is very important that you file a written notice of change in ownership with the department. The notice of change in ownership must be accompanied by some evidence of the change in ownership, such as a copy of the deed or a property tax statement showing the name of the new owner. Again, this is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

The cost of the subscription to the docket sheet is \$7.50 for calendar year 1988. The cost of the subscription may increase a small amount for calendar year 1989 if the cost of copying and/or mailing should increase.

If you are planning to file a motion or other pleading (not a notice of claim) with the court (not IDWR), the court has issued an order setting a special procedure that is different from the usual civil rules. A copy of the order may be obtained from any office of IDWR; you may be charged for the cost of mailing and/or copying.

THIS IS AN IMPORTANT LEGAL NOTICE CONCERNING YOUR WATER RIGHT CLAIMS IN THE SNAKE RIVER BASIN ADJUDICATION

IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT
OF THE STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS

In Re SRBA) Case No. 39576
)
) NOTICE OF FILING AMENDED DIRECTOR'S
) FOR REPORTING AREAS 1, 2, AND 3
) (BASINS 34, 57 AND 36)

TO: ALL CLAIMANTS OF RIGHTS TO THE USE OF WATER IN REPORTING AREAS 1, 2 AND 3
(BASINS 34, 57 AND 36)

The Idaho Department of Water Resources has filed Amended Director's Reports for Reporting Areas 1, 2, and 3 (Basins 34, 57, and 36, also known as the test basins) with the SRBA District Court. One of the purposes of the Amended Reports is to conform the director's reports to the requirements of the adjudication statute, Title 42, chapter 14, Idaho Code, which was amended in 1994.

The Amended Reports amend the "preamble" to the director's reports, which include "general provisions." The general provisions apply to all water rights or certain classes of water rights, and are recommended to be included in the court's decree of water rights. The amendments significantly reduce the general provisions, and include some changes in the text of the remaining general provisions. The remainder of the preamble consists of explanatory material. The Amended Reports do not change the list of water rights in the report. IDWR will file amended reports at a later date that revise the list of water rights in the reports.

The SRBA District Court has entered an order granting the amendments to the Director's Report for Basin 57 in part. The order further provides that no additional objections to the remaining general provisions in the Basin 57 report will be allowed. The court has entered an order setting a hearing on the Amended Reports for Basins 34 and 36 on January 16, 1996, at 1:30 p.m., at the SRBA Courthouse. **The order provides that any party opposing the amendments to the report shall file with the court a notice and brief in opposition by 5:00 p.m. January 8, 1996;** any party wishing to file a response to the objections shall file their briefs prior to 5:00 p.m., January 15, 1996.

Some claimants have filed a motion asking the court to designate the general provisions as "Basin Wide Issue No. 5" for determination by the court. The court has entered an order designating the general provisions in Basin 57 as Basin Wide Issue No. 5. (One of the general provisions, concerning the Reynolds Creek Decree, was referred to the special master for Basin 57.) A hearing on the designation of general provisions in Basins 34 and 36 as part of Basin Wide Issue No. 5 will be held January 16, 1996, at 1:30 p.m. at the SRBA Courthouse.

The court's order also sets forth a schedule for the resolution of Basin Wide Issue No. 5. All parties to the SRBA who intend to participate must file with the SRBA District Court a notice of intent to participate by 5:00 p.m., January 5, 1996. The notice must state whether the party supports or opposes the inclusion of each general provision in the court's decree, and clearly and briefly explain their position. Briefs in support of the general provisions must be filed with the court by 5:00 p.m., January 26, 1996. Briefs in opposition to general provisions must be filed with the court by 5:00 p.m., February 9, 1996. Responsive briefs must be filed with the court by 5:00 p.m., February 16, 1996. A pretrial conference will be held at 9:00 a.m. on February 20, 1996, and hearing will be held at 9:00 a.m. on March 12, 1996, at the SRBA Courthouse.

A copy of each amended report is available for inspection at the locations listed on this notice. Copies of all or a portion of the amended reports and/or the court's orders are available from the offices of IDWR listed on this notice, subject to payment of costs of mailing and/or copying.

If you have questions about the SRBA, please call any office of IDWR listed in this notice; if you have questions concerning your rights and responsibilities as a claimant in the SRBA, please consult your attorney.

RE: Modification of Water Right No. 57-02306

Dear Rick:

Early this summer there were some discussions regarding a potential modification of the above-referenced water right via an Application for Transfer. With all of the activity of the drought, this transaction was put aside, and was not completed.

The purpose of this letter is to ask you to contact this office sometime during the next month if you still desire to modify the water right. I will be happy to assist you in this endeavor. Until then, I will return this correspondence and the accompanying map to the adjudication claim file, No. A57-02306.

Sincerely,

David R. Tuthill, Jr., P.E.

RE: Snake River Basin Adjudication (SRBA)
Owyhee County - Claim Nos.: A57-02306, A57-07265

Dear Sir:

We are currently in the process of preparing the above referenced Notices of Claim for court decree in the Snake River Basin Adjudication. During this review, certain questions arose concerning your client's claims listed above. The following claims require the information or changes listed:

Claim No.: A57-02306

IDWR records currently show the following name and address for the owner of the claim listed above:

Richard Echevarria
Rt. 1, Box 613
Homedale, ID 83628

If our information is correct, your client needs to complete the Withdrawal form that we have provided; our records can then be corrected to show one claim for this right. If the ownership has not changed, please contact me immediately at (208)327-7925 so that the claim is not recommended to the court in the incorrect name.

Claim No.: A57-07265

IDWR records show that FmHA is the current owner of this claim. However, Mr. Echevarria had previously claimed the right. Again, your client needs to complete the Withdrawal form provided for Claim No. A57-07265. We will recommend the claim in the name of FmHA but using Mr. Echevarria's claim as a basis for that recommendation as his claim preceded FmHA's.
