P S: you might also be interested in our trip. the trees had there color on for about a month and were unbeleivable in there bueaty. They have now lost most of their color but I still can't beleive there is this many trees in the world. It has been a beautiful Inidan Summer fall season, quite mild and pleasant. We really are enjoying ourselves here. Kensington is a small community just a ½ mile or so from the beltway and yet it is quiet with a wonderful charm and freindly people that belays its proximity to the horrors of 8 lanes bumper to bumper & moving 10 miles per hour. And we are about 10 miles from the center of DC with its more than 320 homicides already this year! We are surprised to find how very freindly the people are here and especially the blacks and other races, although here in Kensington and this county we don't see too many. It is really a wonderful experience to go to work five days a week in such a Holy and spiritual place and dealing with these eternal things. We just love it. When I think of all the heat and dust of the barley harvest before we left the farm, it reminds me of the old song "How ya gonna get em back on the farm after they've seen Paree?" Hope your holidays are nice.

Hi Diana -

I received a call today from Jan, Adjudication Supervisor at Western, re the above subcase. The claim, recommendation, PD issued 4/13/98, 5/1/02 letter and Order amending period of use in PD were all in the names of water right owners Reg and Holy Meeker. However, the 1/24/03 letter and Order amending period of use in PD went out to a prior owner, Owyhee Grazing Asso. Our mail indicates that this did not go to the owners which are the Meekers. Jan checked the file and the claim was filed by the Meekers. In any event, we were wondering if this was also mailed to the Meekers and what owner you have listed on the most current change made to the PD.

thanks!

Dear Water Right Claimant(s):

This letter accompanies a copy of an ***Order Amending Irrigation Period of Use Element in Partial Decree, Nunc Pro Tunc*** (hereinafter "***Order***") for water right number 57-2327. According to Idaho Department of Water Resources (IDWR) records, you are the current owner of this water right. If you are not the current owner, please contact IDWR immediately at:

Idaho Department of Water Resources
1301 North Orchard

The purpose of the ***Order*** is to set forth beginning and ending dates for the irrigation period of use for this water right. As stated in the face of the ***Order***, this action was necessary following the decision of the Idaho Supreme Court in *A&B Irrigation Dist. v. Idaho Conservation League*, 131 Idaho 411, 423, 958 P.2d 568, 580 (1998). This ***Order*** also incorporates into the ***Partial Decree*** an express statement that the ***Partial Decree*** is subject to such general provisions necessary for the definition or for the efficient administration of the water right. This express statement is necessary to comply with the requirements of Idaho Code section 42-1412(6). This ***Order***, in combination with the ***Partial Decree*** that was issued for this water right on April 13, 1998, sets forth all of the elements of your water right. The Snake River Basin Adjudication (SRBA) Court suggests that you keep this document in a safe location together with a copy of the ***Partial Decree*** to show evidence of this water right. The original of the ***Order*** and the original of the ***Partial Decree*** for this water right is on file with SRBA Court. If you do not have a copy of the original ***Partial Decree***, one can be obtained by contacting the SRBA Court at (208) 736-3011. Please note that the ***Order*** is entered ***Nunc Pro Tunc***, meaning that the ***Order*** will be treated as if it were issued on the same date that the ***Partial Decree*** was originally issued.

A *Partial Decree* was entered for the above-captioned irrigation water right on April 13, 1998. The period of use element was decreed as "irrigation season." In *A&B Irrigation Dist. v. Idaho Conservation League*, 131 Idaho 411, 423, 958 P.2d 568, 580 (1998), the Idaho Supreme Court remanded with the directive to include specific dates for the period of use element. Following remand, on July 26, 1999, IDWR filed a *Supplemental Director's Report, Reporting Area 2, IDWR Basin 57, Regarding Revision of Period of Use (For Irrigation Water Uses) and Conjunctive Management General Provisions*, which included an irrigation period of use recommendation for this water right. No objections were filed to this *Supplemental Director's Report*.

THEREFORE, IT IS ORDERED that the period of use element for the irrigation portion of the above-captioned water right is hereby amended and decreed as:

PERIOD OF USE: 03-15 to 11-15
The use of water for irrigation under this right may begin as early as March 1 and may continue to as late as November 15, provided other elements of the right are not exceeded. The use of water before March 15 under this remark is subordinate to all water rights having no subordinated early or late irrigation use and a priority date earlier than the date a partial decree is entered for this right.

IT IS FURTHER ORDERED that the *Partial Decree* for the above-captioned water right is hereby amended and decreed to contain the following:

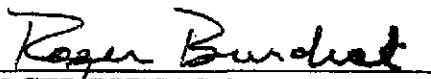

This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the court a point in time no later than the entry of a final unified decree. I.C. section 42-1412(6).

This order is being entered *nunc pro tunc* as of the date the *Partial Decree* was issued and is not intended to modify subsequent administrative changes for the water right, if any, which occurred following entry of the *Partial Decree*.

RULE 54(b) CERTIFICATE

With respect to the issues determined by the above judgment or order, it is hereby CERTIFIED, in accordance with Rule 54(b), I.R.C.P., that the court has determined that there is no just reason for delay of the entry of a final judgment and that the court has and does hereby direct that the above judgment or order shall be a final judgment upon which execution may issue and an appeal may be taken as provided by the Idaho Appellate Rules.

RE: Permit and/or Adjudication Claim No.s A57-02327 - 04000

Dear Claimant(s):

The Department of Water Resources will be conducting beneficial use examinations and water right adjudication claim verification examinations for Owyhee County from July thru November 1990. Once the beneficial use examination or claim verification is made, your water rights will be recommended for licencing by the department or decree by Judge Hurlbutt in the Fifth District Court. The recommendations will be based on our findings in the field.

Information on your permit or claim that may need to be verified, includes source(s) of water, uses and amounts, legal descriptions of point(s) of diversion, place of use and in some cases documentation verifying the date of priority as claimed in the Snake River Basin Adjudication. Some of your claims may only need a small amount of verification if there are no changes in the manner in which they were previously documented and examined in accordance with the State's permitting, licencing and/or decree process.

Although it is not mandatory that you accompany the field examiner, should questions arise during the exam, it would be most helpful for yourself or a knowledgeable representative to be available for a short time during the field exam. This would help speed up our findings and help collect information for your rights to be recommended to the court.

A field examiner will be calling or writing you for the scheduling of this (these) field exam(s). We can either meet you at the place of use or a place of your convenience. This may be determined at the time we contact you.

If you have questions regarding this letter or prior to scheduling, please call 334-2190 and ask for either Steve Lester or Ron Howerton.

Sincerely,

Ron Howerton
Senior Water Resource Agent

Dear Mr. & Mrs. Meaker:

Enclosed are copies of the water rights found using the legal description shown on Water Right No. 02-07344. Also enclosed is a blank Notice of Claim to be used in filing on your domestic well.

I have changed the number of acres on 57-02304B and 57-04106 to correspond with those shown on 02-07344 per our conversation in my office. The total acres claimed are 418. On Water Right No.'s 57-2327 and 57-04000 I noticed that these are in the name of the Owyhee Grazing Association. Enclosed is a name change sheet to be used in changing these to reflect your name. This should be used only if these rights are now owned by you. Please return the name change sheets with your signed claims. The blank Notice of Claim should be completed for your domestic well. Evidently, while you were in my office I failed to get the legal description for this well from you. I am returning your aerial photo which will help you in determining this legal. You did tell me that the date of priority is April 1, 1977.

The fees on these claims are as follows:

- ~~02-07344~~ - \$50 flat fee plus \$1/acre for 418 acres = \$468 - \$10 paid in the previous Snake River Adjudication = \$458 total fee. -75= 383
- ~~57-02304B~~ - \$50 flat fee with no fee charged twice for the same acres as 02-07344. *418*
- RON* 57-04000 - \$50 flat fee (same as above). - *337 AC*
- RON* 57-02327 - \$50 flat fee (same as above). - *337 AC*
- ~~57-07449~~ - \$50 flat fee (same as above). - *337 AC*
- ~~57-07226~~ - \$50 flat fee (same as above). - *337 AC*
- ~~57-04106~~ - \$50 flat fee (same as above). - *384 AC*
- ~~02-00071~~ - \$50 flat fee - \$45 paid in previous Snake River Adj. = \$5 total fee. - *418*
- ~~02-04027~~ - \$50 flat fee - \$125 paid in previous Snake River Adj. = 0 a negative fee of \$75. - *418 acres*
- ~~57-07225~~ - \$50 flat fee plus variable fee for heating at \$100 per *85/* 1.0 cfs for .04 cfs = \$4 for a total fee of \$54 *changed to heating of 1 ac (which was not counted here in error).*
- LAISED* ~~57-07229~~ - \$50 flat fee plus variable fee for recreation, fish propagation, and heating at \$100 per 1.0 cfs for 4.2 cfs = \$420 for a total fee of \$470.
- PAST LAISED* Domestic - \$25 flat fee for single family domestic wells.
- 60 days*

AS 7-10397

Total fees due = \$1,237(includes subtracting the negative fee of \$75)

Please check these claims for accuracy and make any changes needed, along with completing the Notice of Claim for your domestic well, then have your signature notarized and return the claims with the required fees by January 19, 1989.

If you have any questions concerning these claims, or others you may need to file, please feel free to call me.

Water Rights recap

On 20 June, 1985 I filed application to expand 57-2327 to the full 6.01 cfs and to include all the acres on the farm.

I did NOT expand the 3 licenses and permits on Shoofly nor the 3 at Strike Reservoir to cover all acres on the farm because it seemed that the coverage as laid out in each group covered virtually all acres for each group, tho it might not be a full inch to the acre. It was considered to impossible for any one to contest a discrepancy.

57-4000 (2.4 cfs) didn't seem worth the expense and was pretty well covered. It is no longer deemed a very useful right since not much water comes that way anymore, nor is it anticipated in the future.

Therefore there are 3 major groups of water rights

1. Strike Reservoir consisting of :

✓ 02-4027 (green pump at yellow bridge,	250 inches;	priority	1 May, 1962
✓ 02-0071 (by ageement with Johnson	25 "	"	1 July 1964
✓ 02-7344	143 "	"	6 May 1981
	<u>418</u>		

2. Shoofly Creek

✓ 57-2304B (upper Shoofly in lot 2, sec 2,	250 "	"	12 Oct, 1966
✓ 57-7226 (along Hyway 78		"	25 Sep 1978
NO CLAIM → ~~57-7225~~ (as Shoofly enters sec 35	250	"	7 Feb 1979
NO	total not to exceed 418 inches		

3. miscellaneous as follows

✓ 57-4000 (overflow from Bybee Pond	120 inches	"	1 Apr 1961
✓ 57-2327 (20 mile Creek	230 "	"	18 Jan 1960
✓ 57-4106 (formerly 7228 fish pond	100 "	"	1 June 1967
✓ 57-7449 (completeing 300 inches on 2327 above)	70,5		20 June, 1985

There are also the following miscellaneous filings:

✓ 57-7225 (colapsed hot well)
✓ 57-7229 (heat from hot well)

Dear Jan:

Enclosed are all the water rights claimed for our farm. They are signed and notarized and we have also enclosed a check for the applicable fees according to the schedule below. You will notice that we have made some modifications in content in the various claims. These changes were mostly in the legal descriptions of the land upon which the water has been put to beneficial use since the priority date of each Water right involved. Also each claim is now in the name of both Holly and I. You mentioned in your letter for us to return "the name change sheets with your signed claims". apparently they got left out of your mailing. I will call and ask for them to be forwarded to us and either hold these claims up or send them separately.

You will also find a copy of an ariel photo with the $\frac{1}{4}$ of $\frac{1}{4}$ section grid & with the number of acres in each $\frac{1}{4}$ of a $\frac{1}{4}$ section which the Dept. of Water Resources determined while proof was made on Licence 02-07344 in 1981. For the most part this determination was fairly accurate. We have worked hard to make these claims as accurate and complete as possible and think they are correct. We thank you for your considerable effort in helping us complete this task. We appreciate it and I bless you that you may have the health, strength and wisdom to carry you through this strenuous adjudication process.

Sincerely, REG MEAKER

P S: you might also be interested in our trip. the trees had there color on for about a month and were unbeleivable in there bueaty. They have now lost most of their color but I still can't beleive there is this many trees in the world. It has been a beautiful Inidan Summer fall season, quite mild and pleasant. We really are enjoying ourselves here. Kensington is a small community just a ½ mile or so from the beltway and yet it is quiet with a wonderful charm and freindly people that belays its proximity to the horrors of 8 lanes bumper to bumper & moving 10 miles per hour. And we are about 10 miles from the center of DC with its more than 320 homicides already this year! We are surprised to find how very freindly the people are here and especially the blacks and other races, although here in Kensington and this county we don't see too many. It is really a wonderful experience to go to work five days a week in such a Holy and spiritual place and dealing with these eternal things. We just love it. When I think of all the heat and dust of the barley harvest before we left the farm, it reminds me of the old song "How ya gonna get em back on the farm after they've seen Paree?" Hope your holidays are nice.
