RE: NOTICES OF CLAIM NOS.: A57-10568, A57-10577

Dear Claimant,

We are currently in the process of preparing the above referenced Notices of Claim for court decree in the Snake River Basin Adjudication.

These claims were filed based on beneficial use of water dating back to a stated priority date. On October 12, 1990, the Department sent you a letter requesting that you submit evidence supporting the priority dates you have listed on the above claims. This evidence was to have been submitted by December 1, 1990. However, this evidence has not been received in our office.

Before the Department can make a recommendation to the Court for decree of these claims, some evidence of the priority dates claimed must be submitted. Again we are enclosing a brochure outlining types of evidence you may submit. If we do not receive the requested information, this claim will be recommended for disallowal due to lack of evidence supporting any priority date.

Thank-you for your cooperation. If you should have any questions, or feel that you need help in any way, please contact our office at 334-2190.

Sincerely,

Roxanne McCarthy
