Notice of Claim #57-04021A
Change of Address

Dear Claimant,

IDWR has been notified the address presently in our claim records is incorrect. Although we have reached you at the address above, we need you to confirm this is your correct mailing address. Future notices related to your SRBA claim(s) can be sent only to the address on your claim or as otherwise changed by you. The staff of this agency must avoid relying upon the word of others about your mailing address.

If the address above is correct, please sign your name at the bottom of this letter, and return it to this office. Otherwise, please make the proper corrections, sign, and return this letter. That action will suffice to provide adequate notice to IDWR but not to the SRBA court. SRBA Judge Hurlbutt issued an Order June 17, 1993 requiring claimants like yourself identified in a Director's Report to use Standard Form 3 for change of address or ownership. We have enclosed Standard Form 3 for your use. We have also enclosed the legal notice which was returned to us by the Post Office. Please contact us or the Court (208/736-3011) if you have any questions.

Thank you for your help. We hope to assure you receive future notices about SRBA matters.

Sincerely,

Adjudication Bureau Staff

This form is to be used to provide notice of a change in address of a party or to substitute a party whose water right was recommended in a director's report. *The filing of Standard Form 3 cannot result in a contested matter and a hearing will not be scheduled.* If completed as directed, the form will be accepted by the court and no further orders will issue. Standard Form 3 shall not operate to excuse compliance with the statutory requirements of I.C. § 42-1409(7) (1986) where a water right recommendation is not before the court.

This form has been adopted by the court in Re SRBA, Twin Falls County Case 39576, *SRBA Administrative Order 1 Rules of Procedure* (amended 6/21/93), Section 4Ac(3), which may be consulted for further information.

A party may copy or reproduce the standard form. The text of the form must be on the front and back of each page, exactly as it appears here. Follow the instructions on the form or it will not be accepted for filing. The Verification and the Certificate of Mailing must be completed.

You must provide a copy of the completed form to each party or if the party is represented by an attorney you must serve the attorney in every subcase in which you are a party.

No hearing will be held and no further order will issue from this court.

Change of Address

Dear Claimant,

IDWR has been notified the address presently in our claim records is incorrect. Although we have reached you at the address above, we need you to confirm this is your correct mailing address. Future notices related to your SRBA claim(s) can be sent only to the address on your claim or as otherwise changed by you. The staff of this agency must avoid relying upon the word of others about your mailing address.

If the address above is correct, please sign your name at the bottom of this letter, and return it to this office. Otherwise, please make the proper corrections, sign, and return this letter. That action will suffice to provide adequate notice to IDWR but not to the SRBA court. SRBA Judge Hurlbutt issued an Order June 17, 1993 requiring claimants like yourself identified in a Director's Report to use Standard Form 3 for change of address or ownership. We have enclosed Standard Form 3 for your use. We have also enclosed the legal notice which was returned to us by the Post Office. Please contact us or the Court (208/736-3011) if you have any questions.

Thank you for your help. We hope to assure you receive future notices about SRBA matters.

Sincerely,

Notice of Claim #57-04021A
Change of Address

Dear Claimant,

IDWR has been notified the address presently in our claim records is incorrect. Although we have reached you at the address above, we need you to confirm this is your correct mailing address. Future notices related to your SRBA claim(s) can be sent only to the address on your claim or as otherwise changed by you. The staff of this agency must avoid relying upon the word of others about your mailing address.

If the address above is correct, please sign your name at the bottom of this letter, and return it to this office. Otherwise, please make the proper corrections, sign, and return this letter. That action will suffice to provide adequate notice to IDWR but not to the SRBA court. SRBA Judge Hurlbutt issued an Order June 17, 1993 requiring claimants like yourself identified in a Director's Report to use Standard Form 3 for change of address or ownership. We have enclosed Standard Form 3 for your use. We have also enclosed the legal notice which was returned to us by the Post Office. Please contact us or the Court (208/736-3011) if you have any questions.

Thank you for your help. We hope to assure you receive future notices about SRBA matters.

Sincerely,

Adjudication Bureau Staff

PER 11/5/90 search ATQ1, AS2, ATQ2, ATQ4, ARQ2,

NON-DATA ENTRY FILES, CANNOT FIND A CLAIM FOR REMINDER
OF H2O IN 57-04021.

Pump in Horstman Drain feeds 4" main that splits into two
4" pipes to operate wheel lines. Does not irrigate home site (yard).
Does not irrigate corral south of pld.

Irrigation boundary - S. Q&Q Line of N $\frac{1}{2}$ NE $\frac{1}{4}$, Horstman Drain,
Market Rd., Lenteen Lane.

Land also receives water from gan Irrig. Dist., although Mary W.
stated has had problems getting irrig. dist H2O recently (this is
probably related to district's protest of 57-04021).

Pump Berkeley, 20 HP, 3600 RPM, model B3TPM, serial #
7583222, 6' of 6" intake, 4" main. ~~See pump~~
Rating tag shows 450 gpm.

Flow a) Pump curve ≤ 450 gpm = 1.00 cfs

b) HP eq. where HP = 20 PSI = 60 (assumed), Lift = 6'

$$Q = \frac{(8.8)(20)(.7)}{(2.31)(60) + 6} = .85 \text{ cfs}$$

c) Pounds 35.2 acres @ .02 cfs/acre = .70 cfs allowable

Wheel lines & Nelson F37 hds. & RB F30's, $\frac{1}{8}$ " & $\frac{9}{16}$ "

Dear Claimant(s),

In the past, you submitted the above referenced claim(s) in the Snake River Basin Adjudication. Enclosed is a computer generated print-out of the claim(s) for your reference only; this print-out is **NOT** to be returned or re-filed. You have indicated when this claim was filed that the water right(s) was based on "Beneficial Use" of the water. Water rights of this type are established by the historical use of water for a beneficial purpose, dating back to the time the water was first used, this date being the "Priority Date" as shown on the enclosed print-out. Your claim(s) has not been confirmed by a previous filing with the Department of Water Resources since there is no license, decree or permit on file to verify the use of this water. For this reason, the Department is under a legal requirement to gather evidence from claimants supporting the date of first use, or "Priority Date", for claims based on historical beneficial use of water.

Enclosed is a pamphlet entitled "Evidence of Priority" which describes the types of evidence required and explains what kind of documents will fulfill this requirement. While we encourage you to read the entire pamphlet, we would like to direct your attention to the right-hand half of this pamphlet once you open it. There you will find information concerning the evidence requirements mentioned above. The other sections describe to you why this evidence is necessary.

If no evidence is submitted, or we do not hear from you within the time limit below, your priority date, as claimed, cannot be recommended to the Court for decree. This could jeopardize your water use under this right(s), if water availability problems arise in the future. It is our goal to decree the historical water rights within the Snake River Basin as accurately as possible. Field exams to verify other items of the above claim(s) have been or soon will be conducted by Department personnel.

Please submit the required evidence supporting the priority date(s) by December 1, 1990, referencing all documents with the corresponding claim number(s). If you have any questions not covered by this letter or the enclosed pamphlet, please contact a water resource agent in this office.

Sincerely,

Jan Shurte

Re: Water Rights

Dear Mary:

This letter confirms the status of the uses of water on your property. Two sources of water are involved.

1) The well (ground water) for one home, yard, and household stockwatering dates to 9/29/78. This is considered a single-family domestic use and includes up to 0.04 cfs. Refer to adjudication claim A57-10004 filed on 5/9/88.

2) The Horstman Drain water is used for irrigation of 40 acres. The right dates to 7/17/56 and was previously recorded as statutory claim 57-04021. You filed an adjudication claim based on the statutory claim for a portion of the land discussed in 57-04021. The part that you filed on includes 0.80 cfs for 40 acres. Refer to A57-04021A filed on 5/9/88.

No further action on your part is needed at this time. This office will review the two adjudication claims and recommend the rights to the District Court as part of the adjudication process. The Court will determine the final parameters of the water rights and will issue decreed rights.

I hope the above information settles any questions that you or anyone else may have about your water rights. Additional information is available at this office.

Sincerely,

Steve Lester *SL*
Sr. Water Resource Agent
