Dear Mr. & Mrs. Collett:

Enclosed is a computer generated copy of Claim No. A55-04148, now re-numbered to Claim No. A57-04109.

The re-numbering was needed because the point of diversion under this claim falls within the Department's drainage basin 57 numbering system, rather than in basin 55. The basin numbering is based on water sources and drainages. Basin 55 is Owyhee River drainages and Basin 57 is Snake River drainages. Birch Creek is a Snake River drainage, therefore, the change to a Basin 57 number.

Please refer to this number in any future correspondence. For your information, Basin 57 claims are now being processed for submittal to the Court to be decreed sometime this summer. You may be contacted this spring by a domestic/stockwater field examiner that the Department has contracted to for verification of the locations of the point of diversion and place of use on this claim. This contractor is A. Kenneth Dunn, P.E.

If you have any questions concerning this verification, please contact us. We will also be contacting you this summer concerning verification of your remaining claims in Basin 55, for the court report due in May, 1992.

Sincerely,

Jan Shurte
