RE: NOTICE OF CLAIM NO: A57-10242

Dear Claimant,

We are currently in the process of preparing the above referenced Notice of Claim for court decree in the Snake River Basin Adjudication.

This claim was filed based on beneficial use of water dating back to March 31, 1946. On October 12, 1990, the Department sent you a letter requesting that you submit evidence supporting the priority date you have listed on the above claim. On November 19, 1990, we received a signed note from Mrs. B. Fisher Porter concerning her use of water on adjoining land. This evidence, unfortunately, does not support your use of water.

Again, I am enclosing a brochure outlining types of evidence you may submit. Also, I am enclosing an affidavit form that you might find useful. Please remember that any personal note or affidavit must be notarized.

If we do not receive any response by the date listed above, this claim will be recommended for disallowal due to lack of evidence supporting any priority date.

Thank-you for your cooperation. If you should have any questions, or feel that you need help in any way, please contact Roxanne McCarthy at (208)327-7925.

Sincerely,

A handwritten signature in cursive script that reads 'Roxanne McCarthy'.

Dear Water Right Claimant(s):

This letter accompanies a copy of an *Order Amending Irrigation Period of Use Element in Partial Decree, Nunc Pro Tunc* (hereinafter "*Order*") for water right number 57-10242. According to Idaho Department of Water Resources (IDWR) records, you are the current owner of this water right. If you are not the current owner, please contact IDWR immediately at:

Idaho Department of Water Resources
1301 North Orchard
Boise, ID 83706
800-451-4129

57-10241
57-10242
Records modified 3/18/03

The purpose of the *Order* is to set forth beginning and ending dates for the irrigation - 20 period of use for this water right. As stated in the face of the *Order*, this action was necessary following the decision of the Idaho Supreme Court in *A&B Irrigation Dist. v. Idaho Conservation League*, 131 Idaho 411, 423, 958 P.2d 568, 580 (1998). This *Order* also incorporates into the *Partial Decree* an express statement that the *Partial Decree* is subject to such general provisions necessary for the definition or for the efficient administration of the water right. This express statement is necessary to comply with the requirements of Idaho Code section 42-1412(6). This *Order*, in combination with the *Partial Decree* that was issued for this water right on February 9, 1998, sets forth all of the elements of your water right. The Snake River Basin Adjudication (SRBA) Court suggests that you keep this document in a safe location together with a copy of the *Partial Decree* to show evidence of this water right. The original of the *Order* and the original of the *Partial Decree* for this water right is on file with SRBA Court. If you do not have a copy of the original *Partial Decree*, one can be obtained by contacting the SRBA Court at (208) 736-3011. Please note that the *Order* is entered *Nunc Pro Tunc*, meaning that the *Order* will be treated as if it were issued on the same date that the *Partial Decree* was originally issued.

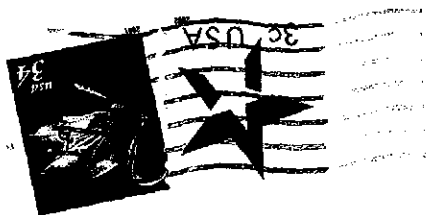

Sincerely,

Diana Delaney

July 23, 1999

RE: Water Rights in Reporting Area 2, Basin 57
Snake River Basin Adjudication (SRBA)

Dear Water Right Claimant(s):

Please find enclosed the Idaho Department of Water Resources supplemental recommendation for your water right(s) in basin 57 (watershed of Owyhee County draining to Snake River). We have also enclosed instructions for reviewing (1) your recommended water right(s), and (2) other recommended right(s) in your area.

In response to the Idaho Supreme Court's decision in Basin-wide Issue 5 after most water rights in the Basin 57 had been decreed, the SRBA Court requested me to file supplemental reports for Basin 57 regarding the period of use for irrigation water uses and general provisions. The enclosed documents fulfill that request. The general provision enclosed is in addition to those already adopted by the Court.

Note you have just over 30 days in which to review your water rights and those of other claimants and to file any objection to our recommendations. Information on the other water rights can be found at the county courthouse in Murphy and at all Idaho Department of Water Resources offices (see addresses in enclosure).

If the SRBA Court does not receive an objection to our recommendation from you and no other party objects to your water right, your water right will be decreed as recommended. You will receive your decree from the SRBA Court.

Completion of the SRBA is important for the future of water management in Idaho. We invite you to contact our regional offices with any questions you have about your water right(s) or this adjudication process.

Sincerely,

Karl J. Dreher
Director

MAILING DATE: April 2, 1991

RESPONSE DATE: ~~March 2, 1991~~

RE: NOTICE OF CLAIM NO: A57-10242

Dear Claimant,

We are currently in the process of preparing the above referenced Notice of Claim for court decree in the Snake River Basin Adjudication.

This claim was filed based on beneficial use of water dating back to March 31, 1946. On October 12, 1990, the Department sent you a letter requesting that you submit evidence supporting the priority date you have listed on the above claim. On November 19, 1990, we received a signed note from Mrs. B. Fisher Porter concerning her use of water on adjoining land. This evidence, unfortunately, does not support your use of water.

Again, I am enclosing a brochure outlining types of evidence you may submit. Also, I am enclosing an affidavit form that you might find useful. Please remember that any personal note or affidavit must be notarized.

If we do not receive any response by the date listed above, this claim will be recommended for disallowal due to lack of evidence supporting any priority date.

Thank-you for your cooperation. If you should have any questions, or feel that you need help in any way, please contact Roxanne McCarthy at (208)327-7925.

Sincerely,

Roxanne McCarthy
Sr. Water Resource Agent

Dear Claimant(s):

In the past, you submitted the above referenced claim(s) in the Snake River Basin Adjudication. Enclosed is a computer generated print-out of the claim(s) for your reference only; this print-out is NOT to be returned or re-filed. You have indicated when this claim was filed that the water right(s) was based on "Beneficial Use" of the water. Water rights of this type are established by the historical use of water for a beneficial purpose, dating back to the time the water was first used, this date being the "Priority Date" as shown on the enclosed print-out. Your claim(s) has not been confirmed by a previous filing with the Department of Water Resources since there is no license, decree or permit on file to verify the use of this water. For this reason, the Department is under a legal requirement to gather evidence from claimants supporting the date of first use, or "Priority Date", for claims based on historical beneficial use of water.

Enclosed is a pamphlet entitled "Evidence of Priority" which describes the types of evidence required and explains what kind of documents will fulfill this requirement. While we encourage you to read the entire pamphlet, we would like to direct your attention to the right-hand half of this pamphlet once you open it. There you will find information concerning the evidence requirements mentioned above. The other sections describe to you why this evidence is necessary.

If no evidence is submitted, or we do not hear from you within the time limit below, your priority date, as claimed, cannot be recommended to the Court for decree. This could jeopardize your water use under this right(s), if water availability problems arise in the future. It is our goal to decree the historical water rights within the Snake River Basin as accurately as possible. Field exams to verify other items of the above claim(s) have been or soon will be conducted by Department personnel.

Please submit the required evidence supporting the priority date(s) by December 1, 1990, referencing all documents with the corresponding claim number(s). If you have any questions not covered by this letter or the enclosed pamphlet, please contact a water resource agent in this office.

Sincerely,

A57-10242
