MORTGAGE

THE PARTIES: The parties hereto are JAY H. COX and CAROL J. COX, husband and wife, (herein called "Mortgagor") and WARREN R. TAYLOR and JOYCE D. TAYLOR, husband and wife, (herein called "Mortgagee").

MORTGAGE: The Mortgagor hereby mortgages to the Mortgagee that real property (herein called "premises" which term includes all buildings, structures, improvements, appurtenant BLM or state permits or leases, and fixtures now on or hereafter placed thereon) situated in Owyhee County, Idaho and described as follows:

See Exhibit "A" attached hereto, and by this reference made a part hereof.

SUBJECT TO that certain Mortgage recorded April 16, 1992, as Instrument No. 207639, records of Owyhee County Records.

TOGETHER WITH all water rights, ditch rights, rights of way, buildings, structures, improvements, fixtures, tenements, hereditaments and appurtenances now or hereafter thereto belonging or used in connection therewith.

SUBJECT TO taxes and assessments for the year 1994 and all subsequent years, together with any and all existing easements, rights of way, reservations, restrictions and encumbrances of record, to any existing tenancies, to all zoning laws and ordinances, and to any state of facts an accurate survey or inspection of the premises would show.

OBLIGATIONS: This mortgage is given to secure each and all of the following obligations:

(1) The payment of the principal sum of \$232,000.00 plus interest thereon at the rate of 10.55% per annum according to the terms of one certain promissory note dated August 18, 1994, executed by the Mortgagor and payable to the Mortgagee, which note is due and payable in full on or before February 15, 2007.

(2) The full performance of each provision herein and in such note to be performed by the Mortgagor and the payment of all sums hereafter provided to be secured hereby, and all extensions of any of the foregoing.

PREPAYMENT PENALTY: There is no penalty for prepayment of the obligations after January 1, 1995, secured hereby and the principal and interest may be prepaid at any time.

MORTGAGOR AGREES: The Mortgagor agrees with the Mortgagee during the continuance hereof as follows: (1) that the Mortgagor shall pay and perform all of the obligations secured hereby when due and according to their terms; (2) that the Mortgagor shall pay before all or any part thereof becomes delinquent all taxes, assessments and other charges of every kind, both general and special, which have heretofore been or which may hereafter be levied on or against the premises, or this mortgage, or the obligations secured hereby; (3) that the Mortgagor shall promptly pay and satisfy all liens or encumbrances that are or may become liens on the premises or any part thereof superior to the lien of this mortgage; (4) that the Mortgagor shall at all times keep all of the buildings and improvements on the premises, including those hereafter placed thereon, continually insured against loss by fire in the sum of the full insurable value thereof or the sum of the unpaid balance of the obligations secured hereby, whichever is less, in a reliable insurance company with the loss, if any, payable to the Mortgagee as the Mortgagee's interest may appear at the time of such loss and if any insured buildings or improvements on the premises are destroyed or damaged from any cause insured against under such fire insurance policies, the money collected under such insurance policies shall be applied, at the Mortgagor's option, either to the payment of the obligations secured by this mortgage or to the reconstruction of the buildings or improvements so destroyed or damaged; (5) that the Mortgagor shall keep the buildings and improvements now on or hereafter placed on the premises in good repair at all times and will not commit or suffer any waste of such buildings and improvements or the premises; (6) that if the Mortgagor fails to pay any taxes, assessments, charges, liens, encumbrances or insurance premiums as herein provided, or fails to pay any other sum or keep any other agreement provided for herein, then the Mortgagee may, at the Mortgagee's option, pay or perform the same and all expenditures so made shall be added to and become a part of the debt secured by this mortgage and shall bear interest at the rate provided herein, without waiver,

however, of any right arising to the Mortgagee for breach of agreement and this mortgage may be foreclosed at any time while the Mortgagor neglects to repay any sum so paid by the Mortgagee plus such interest; (7) that if litigation is commenced to foreclose this mortgage, the Mortgagee shall be entitled to the appointment of a receiver to collect the rents and profits arising out of the premises during the pendency of such foreclosure and to apply the same to the balance remaining due on the obligations secured by this mortgage, first deducting all proper charges and expenses attending the execution of such trust; (8) and that if litigation is instituted to collect any obligation secured hereby, or to foreclose this mortgage, or to enforce any of the agreements contained in this mortgage, the Mortgagor agrees to pay a reasonable attorney's fee in such litigation together with all court costs including the costs of procuring title reports for such foreclosure, all of which shall be a lien upon the premises and secured by this mortgage.

FORECLOSURE: If the Mortgagor fails to pay when due any obligation secured by this mortgage or defaults in performing any of the provisions herein to be performed by the Mortgagor, or has falsely warranted any fact herein, or becomes bankrupt or insolvent, or if the premises are attached or levied upon, or if proceedings of any kind are taken to foreclose any lien on the premises or any part thereof regardless of whether such lien is prior or subsequent to the lien of this mortgage, then the Mortgagee may immediately and without notice declare all obligations secured hereby as immediately due and proceed to foreclose this mortgage as provided by law. If the sale proceeds on foreclosure fail to satisfy all obligations secured hereby, the Mortgagor jointly and severally agrees to pay the deficiency.

INTERPRETATION: Time is of the essence of each provision hereof. A waiver by the Mortgagee of one or several defaults in performance of any provision hereof to be performed by the Mortgagor shall not be construed as being a waiver of such provision itself or any subsequent default in performance thereof. Singular terms shall be read as if written in the plural when the context so requires or permits.

BINDING EFFECT: The agreements herein shall apply to and bind the heirs, executors, administrators, successors and assigns of the respective parties.

Dear Mr. and Mrs. Cox:

We have received the Change of Ownership Form 42-1409(7) in connection with the above referenced claims. Enclosed are computer generated profile reports of the information on these claims, which now reflect the change of ownership to the Department's records. These profile reports show you as the current owner (C) and Warren Taylor as the director's report owner (D). As we have discussed, these claims were previously submitted to the Snake River Basin Adjudication (SRBA) Court in Twin Falls to be decreed as a part of the Department's Director's Report for water rights in Basin 57.

Although the Department's records have been changed to reflect this ownership change, SRBA Judge Daniel C. Hurlbutt, Jr. has issued a Court Order dated June 17, 1993, requiring that any claimant with a claim submitted for final decree must complete Standard Form 3 before the Court's records for the decree will be changed to reflect the new owner. Standard Form 3 was given to you when you were in the office last week. If you need another form, please contact this office as soon as possible.

Please be advised that Ron Howerton (who attended the Castle Creek Water District meeting) is preparing a new listing of rights for Castle Creek to replace the list given out at the water district meeting. You should be receiving a copy from him in the mail within the next week. As I stated on your answering machine, we found that your Claim No. 57-00220A was not on that listing because the water district flag was not data entered on that claim. Also, Claim No. 57-10478 was not included because it is only a beneficial use claim and cannot be delivered until the decree is issued by the court.

If you have any questions concerning Standard Form 3, please do not hesitate to contact me at (208)334-2190 or the SRBA Court at (208)736-3011.

Sincerely,

KAY WALKER

Dear Claimant(s):

In the past, you submitted the above referenced claim(s) in the Snake River Basin Adjudication. Enclosed is a computer generated print-out of the claim(s) for your reference only; this print-out is NOT to be returned or re-filed. You have indicated when this claim was filed that the water right(s) was based on "Beneficial Use" of the water. Water rights of this type are established by the historical use of water for a beneficial purpose, dating back to the time the water was first used, this date being the "Priority Date" as shown on the enclosed print-out. Your claim(s) has not been confirmed by a previous filing with the Department of Water Resources since there is no license, decree or permit on file to verify the use of this water. For this reason, the Department is under a legal requirement to gather evidence from claimants supporting the date of first use, or "Priority Date", for claims based on historical beneficial use of water.

Enclosed is a pamphlet entitled "Evidence of Priority" which describes the types of evidence required and explains what kind of documents will fulfill this requirement. While we encourage you to read the entire pamphlet, we would like to direct your attention to the right-hand half of this pamphlet once you open it. There you will find information concerning the evidence requirements mentioned above. The other sections describe to you why this evidence is necessary.

If no evidence is submitted, or we do not hear from you within the time limit below, your priority date, as claimed, cannot be recommended to the Court for decree. This could jeopardize your water use under this right(s), if water availability problems arise in the future. It is our goal to decree the historical water rights within the Snake River Basin as accurately as possible. Field exams to verify other items of the above claim(s) have been or soon will be conducted by Department personnel.

Please submit the required evidence supporting the priority date(s) by December 1, 1990, referencing all documents with the corresponding claim number(s). If you have any questions not covered by this letter or the enclosed pamphlet, please contact a water resource agent in this office.

Sincerely,

Jan Shurte
