Dear Mr. Carson:

Re: Permit No. 57-7397

LAPSE NOTICE

You are hereby notified that under the provisions of Section 42-218a of the Idaho Code, the above referenced permit has lapsed. This office did not receive either an acceptable proof of beneficial use submittal or an acceptable request for an extension of time. You were provided the proper forms in our proof due notice to you date October 31, 1988.

Your permit cannot be reinstated unless you submit the proof of beneficial use or submit an extension of time request showing reasonable cause for delay. Either the completed proof of beneficial use submittal including the examination fee or a completed field examination report or the extension request form together with the \$15 fee must be received by this department within sixty days of the date of mailing of this lapse notice or the permit will no longer be of any force or effect.

A proof of beneficial use form and a request for extension of time form are again enclosed for your use. Please note that only one extension of time can be granted unless the project has not been completed because of lack of a necessary approval by a governmental agency or by litigation which brings title to the water in question.

Sincerely,

L. GLEN SAXTON, Chief
