HOW YOU WILL RECEIVE NOTICES IN THE SNAKE RIVER BASIN ADJUDICATION

All documents filed in the Snake River Basin Adjudication other than notices of claims are filed with the court. Notices of claims to water rights filed in the Snake River Basin Adjudication are filed with the Idaho Department of Water Resources. Copies of all documents filed in the Snake River Basin Adjudication will not be mailed to all parties (claimants) in the adjudication.

By order of the court, any document filed with the court will be mailed only to those parties who may be directly affected by it. A monthly docket sheet will be prepared by the department which contains a summary of all documents filed with the court in the previous month and the dates and locations of hearings scheduled for the following three months. The docket sheet will be filed with the district court clerk in each county within the Snake River Basin in Idaho. Copies of the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying. If you wish to receive a copy of the docket sheet each month, you should mark the appropriate place on your notice of claim form. You will be charged a small annual subscription fee to cover the cost of copying and mailing. Copies of any document listed on the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying.

Copies of all notices of claims filed with the department will be available for inspection from all offices of the department. Copies of the notices of claims may be obtained in person or by mail, but you will be charged for the cost of copying and mailing. (A claimant will not be charged for a copy of his or her own notice of claim, and a person who acquires property with water rights for which a notice of claim was filed will not be charged for a copy of the notice of claim filed by the previous owner.)

After the notices of claims have been reviewed, the director will prepare and file a report with the court. Part 1 of the report will contain the director's recommendations as to each water right claimed under state law. Part 2 of the report will list each federal reserved water right claimed. A number of reports will be prepared, one or more for each sub-basin in the Snake River Basin. When the report for your sub-basin is filed with the court, you will be mailed a notice informing you that the report for your sub-basin has been filed. The notice will be sent to the most recent address shown by the department's files. Attached to the notice will be a copy of those portions of the report describing the water rights you have claimed. If you do not agree with the way your water right is described, you may file an objection to the report with the court. You can also file an objection if you disagree with the way other claimant's water rights are described, and the notice will tell you where a copy of the full report is available for inspection. The notice will tell you when and where to file your objection. The notice of filing for each sub-basin report will also be published state-wide in local newspapers.

It is very important that you inform the department in writing of any change in your address. This is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

If you are acquiring property with water rights in the Snake River Basin water system in Idaho (either by purchase, gift, inheritance, or other means), it is very important that you inquire of the department whether a notice of claim has been filed. If not, you must file a notice of claim or the water right may be declared by the court to no longer exist. If a notice of claim has been filed, it is very important that you file a written notice of change in ownership with the department. The notice of change in ownership must be accompanied by some evidence of the change in ownership, such as a copy of the deed or a property tax statement showing the name of the new owner. Again, this is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

The cost of the subscription to the docket sheet is \$7.50 for calendar year 1988. The cost of the subscription may increase a small amount for calendar year 1989 if the cost of copying and/or mailing should increase.

If you are planning to file a motion or other pleading (not a notice of claim) with the court (not IDWR), the court has issued an order setting a special procedure that is different from the usual civil rules. A copy of the order may be obtained from any office of IDWR; you may be charged for the cost of mailing and/or copying.

Dear Claimant(s):

We have received the Change of Ownership Form 42-1409(7) in connection with the above referenced claim. Enclosed is a computer generated copy of the information on this claim, which now reflects the change of ownership to the Department's records. Please be advised that this claim was previously submitted to the Snake River Basin Adjudication (SRBA) Court in Twin Falls to be decreed as a part of the Department's Director's Report for water rights in Basin 57.

Although the Department's records have been changed to reflect this ownership change, SRBA Judge Daniel C. Hurlbutt, Jr. has issued a Court Order dated June 17, 1993, requiring that any claimant with a claim submitted for final decree must complete the enclosed Standard Form 3 before the Court's records for the decree will be changed to reflect the new owner. Standard Form 3 is enclosed along with the directions on how and where to mail the completed form.

If you have any questions concerning this Standard Form 3, please do not hesitate to contact this office at (208)334-2190 or the SRBA Court at (208)736-3011.

Sincerely,

Re: Snake River Basin Adjudication Claims
Trans Continental Transport, Inc.

Dear Ms. Werner:

Enclosed are three Snake River Basin Adjudication Notice of Claim forms for filing on behalf of our client, Trans Continental Transport, Inc.

Two of these claim forms, the short form for Water Right No. 57-1007 and the long form for an instream flow right for stockwater in the Snake River, are being resubmitted with corrections made based on our telephone conversations last month. Specifically, the total quantity of water claimed on the short form has been changed to 0.04 cfs to comply with the amount decreed for that right in the Reynolds Creek Adjudication. On the instream flow long form, the ending point of the instream flow diversion and a priority date for the instream flow use has been added.

The remaining short form is a claim for an additional right for 0.03 cfs for stockwater use from the same well as Water Right No. 57-1007. As we discussed last month, a separate claim for the stockwater use was necessary since the Reynolds Creek decree did not include a stockwater use amount for Water Right No. 57-1007.

A check for \$25.00 for the filing fee for the new Notice of Claim form is enclosed. Filing fees for the other two forms were paid with the original submittal of those forms. Also, as we previously discussed, these claim forms should not require any late filing fees since the property was acquired in 1990 after the general notice for adjudication claims in Basin 57. Copies of the warranty deeds transferring the property are enclosed as

evidence that the change of ownership occurred after the general notice date.

If you have any questions or comments regarding these claims, please contact me. Thank you for your assistance.

Sincerely,
