FROM: KAY WALKER 

RE: CLAIM VERIFICATION

Mr. Long came into the office today to file on his domestic well because the previous owner, Maurice E. Goff, elected not to file on it. I did not charge Mr. Long a late fee because he did not receive a "round one" notice on this property. We also completed a change in ownership on Claim A57-07204 which is for the same property just another well. Claim A57-07204 is filed on a hot, artesian well which is used to heat his home, irrigate 3 acres of land and for 3 small aesthetic fish ponds. Claim A57-10860 is for a cold water well for use in-home.

To verify this claim, I looked at the field examination conducted by John Noyes on 8/15/84 which does not mention the cold water well but does show that there is a home on this property. I could not locate a well log for this well.

No further review required.
