Dear Claimant(s):

This office has received your Notice of Claim(s) to a Water Right for the use of water within the Snake River Basin Water System. However, due to the item(s) checked below, we cannot process this claim(s). We are returning the claim to you along with your check number 3849 in the amount of \$ 25 for the claim filing fee. The following items need to be corrected or added:

_____ Fee - No fee received or inadequate fee received, fee due is _____.
See enclosed fee schedule for computation of fees.

_____ Late Notice of Claim - Claim has been received after filing deadline
for _____ County. This date was _____. See enclosed Late
Fee Notice.

_____ Item No. 2 - Date of Priority - date water was first put to a beneficial
use.

X _____ Item No. 2 & 3 - Priority Date and Source - An adjudication claim filed on a water use from a GROUNDWATER source with a priority date (date of first use) after March 25, 1963, for uses other than a single family domestic and/or stockwater use (up to 1,000 head), may be rejected at the time of review. The mandatory cutoff date for filing on grandfather uses, other than the single family domestic or stockwater exception listed above was March 25, 1963. After this date applications for permit were required to be filed prior to any development. If your use is for multiple domestic homes, a way to maintain the priority date for each home is to file a separate adjudication claim for each. Each claim would then meet the single family domestic exemption. However, a \$25.00 fee is still required for each claim filed. Claim forms with instructions are enclosed for your use. NOTE: Prior to completing a claim form for domestic or stockwater use, please read the enclosed brochure entitled, "The Snake River Basin Water Right Adjudication, Domestic and Stockwater Use". One other alternative is to file an Application for Permit which could include all uses on one form. However, the date of priority for your uses will be the date the application is received in our office. Enclosed is an application for permit with instructions. Please note that there is no deadline for filing the application form. Your adjudication claim can still be filed as it was previously submitted, however, you may run the risk of losing your water right later if the claim is rejected due to the mandatory filing date for groundwater sources.

MICROFILMED

OCT 06 1992

Item No. 2 & 3 - Priority Date and Source -An adjudication claim filed on a water use from a **SURFACE WATER** source with a priority date(date of first use) after May 20, 1971, may be rejected at the time of review. The mandatory cutoff date for filing water rights on grandfather uses from a surface water source was May 20, 1971. The form to file for this use would be an application for permit. The date of priority for your uses will be the date the application is received in our office. Enclosed is an application for permit with instructions for your use in this matter. Please note that there is no deadline for filing the application form. Your adjudication claim can still be filed as it was previously submitted, however, you may run the risk of losing your water right later if the claim is rejected due to the mandatory filing date for surface water sources.

Item No. 3 - Priority Date -If your water use has been developed after the date of commencement of the Snake River Basin Adjudication, November 19, 1987, no filing is required. It is your option to file if you would like. Please return the enclosed claim form and check if you still wish to file. If you do not file, your priority date will still be the date your well was first used.

Item No. 4 - Point of Diversion -The point of diversion listed on this claim is not in the correct form for legal descriptions. Diversion points must be listed by quarter-quarter(40 acre tract), section, township, and range. This legal can be found either on your deed, sales contract or tax notice. If not, then the county assessor may be helpful. Lot and Block for a subdivision are not acceptable, however, please include this information in the remarks section of your claim.

Item No. 10 - Place of Use - The place of use listed on this claim is not in the correct form for legal descriptions. Places of use points must be listed by quarter-quarter(40 acre tract), section, township, and range. This legal can be found either on your deed, sales contract or tax notice. If not, then the county assessor may be helpful. Lot and Block for a subdivision are not acceptable, however, please include this information in the remarks section of your claim.

Adjudication Claim Form No. 42-1409(2)a., needs to be filed instead of Claim Form No. 42-1409(2)b., due to the following reasons: _____

Enclosed is the correct claim form with instructions for completion. The fee schedule is also in the instruction sheets to help you figure the fee needed for filing this type of claim form.

An adjudication claim cannot be filed when no water use or development has taken place. An application for permit is the form to file at the time you decide to begin development. Claims are required only on

development and uses completed prior to the commencement of the adjudication, November 19, 1987. Enclosed is an application for permit form with instructions to be completed at the time development will begin.

_____ An adjudication claim cannot be filed on an application for permit which has not been approved. Therefore, we are returning your Notice of Claim to you. An application for permit must be approved in order to establish a water right to file on.

_____ Item No. 16 - Signature -this claim form requires your signature be affixed and notarized by a notary public. Note, the notary public signs below the signature blocks listed in this item.

_____ Other: _____

If your uses are for domestic or stockwater, and after reading the enclosed brochure you still wish to file your claim(s), please complete the above item(s) on your claim form(s), initial and date any changes or additions, and return the claim(s) to our office, with the fee, prior to the deadline date for filing adjudication claims in your county. If you are returning a claim form which was received in our office, with the fee, by the deadline for your county, then as long as the corrected claim and fee are returned within 30 days of the date of this letter, no late fee will be charged. If your deadline is upcoming, please try to return the corrected claim by that date. The deadline date for your county is 1-19-89. If you have decided not to file your claim(s), no further correspondence is needed.

Please feel free to contact this office if you have any questions concerning this letter.
