HOW YOU WILL RECEIVE NOTICES IN THE SNAKE RIVER BASIN ADJUDICATION

All documents filed in the Snake River Basin Adjudication other than notices of claims are filed with the court. Notices of claims to water rights filed in the Snake River Basin Adjudication are filed with the Idaho Department of Water Resources. Copies of all documents filed in the Snake River Basin Adjudication will not be mailed to all parties (claimants) in the adjudication.

By order of the court, any document filed with the court will be mailed only to those parties who may be directly affected by it. A monthly docket sheet will be prepared by the department which contains a summary of all documents filed with the court in the previous month and the dates and locations of hearings scheduled for the following three months. The docket sheet will be filed with the district court clerk in each county within the Snake River Basin in Idaho. Copies of the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying. If you wish to receive a copy of the docket sheet each month, you should mark the appropriate place on your notice of claim form. You will be charged a small annual subscription fee to cover the cost of copying and mailing. Copies of any document listed on the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying.

Copies of all notices of claims filed with the department will be available for inspection from all offices of the department. Copies of the notices of claims may be obtained in person or by mail, but you will be charged for the cost of copying and mailing. (A claimant will not be charged for a copy of his or her own notice of claim, and a person who acquires property with water rights for which a notice of claim was filed will not be charged for a copy of the notice of claim filed by the previous owner.)

After the notices of claims have been reviewed, the director will prepare and file a report with the court. Part 1 of the report will contain the director's recommendations as to each water right claimed under state law. Part 2 of the report will list each federal reserved water right claimed. A number of reports will be prepared, one or more for each sub-basin in the Snake River Basin. When the report for your sub-basin is filed with the court, you will be mailed a notice informing you that the report for your sub-basin has been filed. The notice will be sent to the most recent address shown by the department's files. Attached to the notice will be a copy of those portions of the report describing the water rights you have claimed. If you do not agree with the way your water right is described, you may file an objection to the report with the court. You can also file an objection if you disagree with the way other claimant's water rights are described, and the notice will tell you where a copy of the full report is available for inspection. The notice will tell you when and where to file your objection. The notice of filing for each sub-basin report will also be published state-wide in local newspapers.

It is very important that you inform the department in writing of any change in your address. This is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

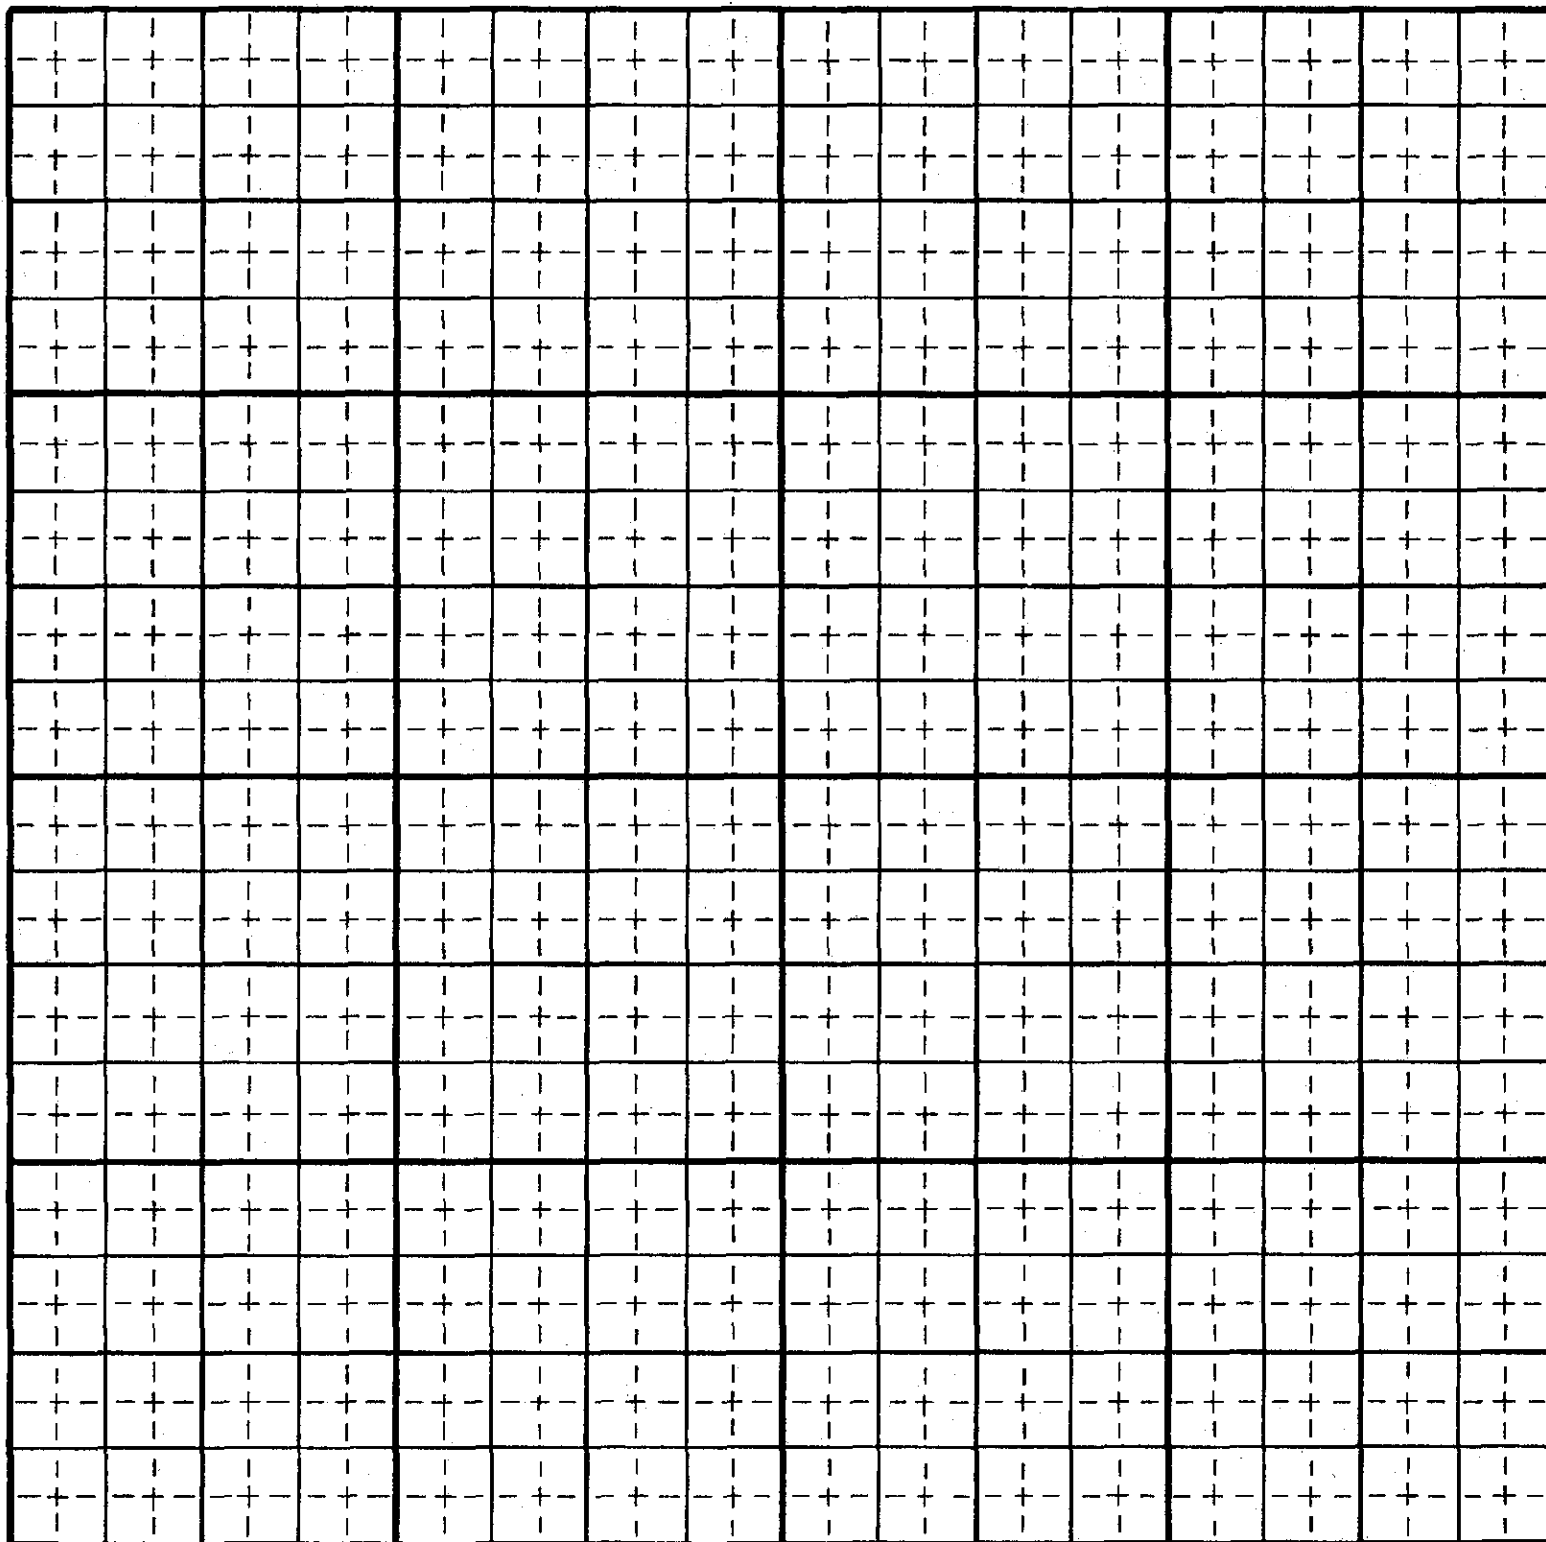

If you are acquiring property with water rights in the Snake River Basin water system in Idaho (either by purchase, gift, inheritance, or other means), it is very important that you inquire of the department whether a notice of claim has been filed. If not, you must file a notice of claim or the water right may be declared by the court to no longer exist. If a notice of claim has been filed, it is very important that you file a written notice of change in ownership with the department. The notice of change in ownership must be accompanied by some evidence of the change in ownership, such as a copy of the deed or a property tax statement showing the name of the new owner. Again, this is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

The cost of the subscription to the docket sheet is \$7.50 for calendar year 1988. The cost of the subscription may increase a small amount for calendar year 1989 if the cost of copying and/or mailing should increase.

If you are planning to file a motion or other pleading (not a notice of claim) with the court (not IDWR), the court has issued an order setting a special procedure that is different from the usual civil rules. A copy of the order may be obtained from any office of IDWR; you may be charged for the cost of mailing and/or copying.

HOW YOU WILL RECEIVE NOTICES IN THE SNAKE RIVER BASIN ADJUDICATION

All documents filed in the Snake River Basin Adjudication other than notices of claims are filed with the court. Notices of claims to water rights filed in the Snake River Basin Adjudication are filed with the Idaho Department of Water Resources. Copies of all documents filed in the Snake River Basin Adjudication will not be mailed to all parties (claimants) in the adjudication.

By order of the court, any document filed with the court will be mailed only to those parties who may be directly affected by it. A monthly docket sheet will be prepared by the department which contains a summary of all documents filed with the court in the previous month and the dates and locations of hearings scheduled for the following three months. The docket sheet will be filed with the district court clerk in each county within the Snake River Basin in Idaho. Copies of the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying. If you wish to receive a copy of the docket sheet each month, you should mark the appropriate place on your notice of claim form. You will be charged a small annual subscription fee to cover the cost of copying and mailing. Copies of the notices of claims may be obtained in person or by mail, but you will be charged for the cost of copying and mailing. (A claimant will not be charged for a copy of his or her own notice of claim, and a person who acquires property with water rights for which a notice of claim was filed will not be charged for a copy of the notice of claim filed by the previous owner.)

After the notices of claims have been reviewed, the director will prepare and file a report with the court. Part 1 of the report will contain the director's recommendations as to each water right claimed under state law. Part 2 of the report will list each federal reserved water right claimed. A number of reports will be prepared, one or more for each sub-basin in the Snake River Basin. When the report for your sub-basin is filed with the court, you will be mailed a notice informing you that the report for your sub-basin has been filed. The notice will be sent to the most recent address shown by the department's files. Attached to the notice will be a copy of those portions of the report describing the water rights you have claimed. If you do not agree with the way your water right is described, you may file an objection to the report with the court. You can also file an objection if you disagree with the way other claimant's water rights are described, and the notice will tell you where a copy of the full report is available for inspection. Date: 12/11/1998 User-ID: SBOCK Subject: AMENDED CLAIM
CLAIMANTS CAME TO TOWN MEETING IN MT HOME LAST NIGHT. PETER
ANDERSON, SUSAN CLARK, AND MYSELF MET WITH THE CLAIMANTS. THEY
SAID THEY CHECKED WITH W.R. IN 1985 BEFORE PURCHASING THE
PROPERTY AND WERE TOLD THAT IT HAD A VALID LICENSE. AT THAT TIME
IT PROBABLY DID. HOWEVER, WHEN EXAMS STARTED, IT WAS EVIDENT
THAT IRR. HAD NOT OCCURED AND CLAIMANT VERIFIED NO IRR.
THEREFORE, THIS CLAIM WAS DENIED. CLAIMANT'S STATED THAT THEY
DID NOT IRRIGATE BASED ON W.R. RECOMMENDATION. THIS CLAIM WAS
LICENSED FOR MILATARY USE AND DID NOT INCLUDE ANY IRR. PETER
TOLD CLAIMANTS THEY COULD FILE AN OBJECTION TO THE RECOMMENDATION
,BUT SINCE IRR. HAD NEVER BEEN A COMPONENT OF THE RIGHT IT
WOULD PROBABLY NOT MAKE IT IN COURT EITHER. CLAIMANTS DECIDED
AT THIS TIME THAT THEY WANTED TO FILE ON THEIR DOMESTIC AND STOCK
I HAD THEM FILL OUT AN AMENDED CLAIM FORM, BUT LEAVE THE IRR
ASPECT ON THE FORM. I DID NOT WANT THE IRR. OFF THE FORM THEN
HAVE THEM DECIDE TO FILE AN OBJECTION. I AM RECOMMENDING THE
D & S PORTION AND DISALLOWING THE IRR.

RE: Notice of Claim to a Water Right No. A61-02251

Dear Mr.s Anderson:

This letter is in response to my telephone conversation of September 12, 1994 with Mr. Wayne Anderson. During that conversation it was determined this water right is used for domestic/stockwater use for a home near the location of the well. It appears that no irrigation from this well has ever taken place on the property.

Consequently, the above-referenced claim will be recommended to the court as a domestic/stockwater water right. If you have additional information about the use of the water from this well, please contact this office. If no response is received by the response date at the top of this letter, it will be assumed that you agree with the domestic/stockwater recommendation.

If you have any questions or need additional information, please do not hesitate to contact this office.

Sincerely,

Maria Minicucci

Wayne Anderson returned my call.

The land is not being irrigated. The well is not hooked up - Mr. Anderson was told during claims filing in the SRBA that he could not use the water.

The well(s) was drilled in 1959 or 1960. The site (former Titan I missile base) was active until the late 1960's. The base shut down in the mid to early to mid-1970's. The base was deactivated and sold for salvage. Teetling bought the site but did not irrigate. Mr. Anderson is the second or third owner after Teetling.

Mr. Anderson was told by IDWR ~~that~~ that he could claim the change in use in the SRBA but not to use the water until the claim was investigated by IDWR as a result of the SRBA claim.

Well is currently used for domestic uses.
