INSTRUCTIONS

This form has been prepared to assist new owners of property to comply with the requirements of Sections 42-248 and 42-1409(6), Idaho Code. Section 42-248 requires certain property holders to notify the Department of Water Resources (IDWR) of any change in mailing address or ownership of all or part of a water right record on file with IDWR. Section 42-1409(6) provides that new property owners must notify IDWR of any change in ownership of a water right during an adjudication of water rights. Required claims may be filed by a new owner.

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. Please contact your nearest IDWR office, or call 1-800-451-4129, if you would like more information or need help completing this form. Please attach additional sheets to the form if you require additional space to describe or explain any of the items on the form.

1. If there are water rights associated with the property, the seller should be able to provide you with the water right or adjudication claim number(s). Please enter these number(s) at **Item 1**. If you or the seller believes there are water rights for the property but the numbers are unknown, you may wish to contact IDWR for assistance in identifying the water rights for the property in question. If claims for the rights are required, and have not been filed, IDWR will so advise you.
2. The information described at **Item 2** is required, since IDWR cannot process the requested change without documentation of ownership. The preferred types of documentation are shown; contact IDWR if you have difficulty obtaining this information. Do not obtain a new survey for purposes of this form before contacting IDWR.
3. Please provide the name and address of the former owner of the water right and/or adjudication claim at **Item 3**.
4. The name, mailing address, and telephone number of the new owner(s) is entered at **Item 4**. Please indicate the relationship between multiple owners by using the connector 'and', 'or', or 'and/or'. If an 'and' is used, all parties must sign this form. If an 'and/or' or 'or' is used, all parties may sign. However, only one of the named parties is required to sign.
5. At **Item 5**, please provide the date the property in question was acquired. This may be the date of "closing" in the case of a real estate transaction or the date of court order for other types of ownership changes.
6. You may be purchasing only a portion of the total water right held by the seller. This means the water right held by the seller may be "split" to provide your share of the right in question. Be sure to include a description of the portion of the water right you have purchased at **Item 6**.

Please provide as much detail as possible concerning your water right: include the number of houses, irrigated acreage if more than 1/2 acre is irrigated, type and number of stock if your right is for stockwater, etc. In the absence of information to the contrary, IDWR will assume the intent is to split the rights *proportionately*.

7. The new owner(s) must sign the form in the space(s) provided at **Item 7**. Corporations and other organizations must submit a list of directors or officers demonstrating the authority of the director or officer to sign the form.
8. There is no filing fee. When complete, you should retain a copy and return the original of the form to the IDWR office nearest you:

Dear Claimants:

This office has received the tax notices that you sent to this office to support ownership of the claimed place of use for the above-referenced claim to a water right. Please do not hesitate to contact me if you have any questions.

Sincerely,

Ms. Pat Pollard called regarding a letter from this office received by her mother. Based on what Mrs. Pollard said, Joyce Pearson never owned the land where the spring is located nor the place of use. Mrs. Pearson lives across the road and ~~use~~ may use overflow water from the spring when it is available. There are no diversion works from the spring to Mrs. Pearson's property. Mr. + Mrs. Stephens have owned the spring and place of use for many years.

I advised Mrs. Pollard to send us a letter explaining the situation and to include some proof of ownership (ie tax notice). The owners will sign the letter. When proof of ownership + signed letter are received by this office we will change ownership of claim & send copy to new owners.

Amended Claims A61-10659 and A61-10660

Dear Mr. Speck:

On November 8, 1991, our office received the above-referenced Amended Notices of Claims. Shortly afterwards, I telephoned you and requested copies of the front pages of the original claims filed. Information on these pages is needed to verify the receipt number and first date received pertinent to the original claims. As of this date, I have not received these copies.

I have located what I believe to be the receipt under which fees were paid for the above-referenced claims, plus several others. However, since the above identification numbers were not assigned at the time the claims were first received, I need to see the receipt number logged on the original claims in order to verify the match.

Please forward front-page copies of the original claims as soon as possible, as data entry cannot be completed without the receipt information. As soon as data entry is finalized, I will see that computer generated claim copies are returned to you as previously requested. My mailing address is at the top of this page. If you wish, our FAX number is 334-2348.

Thank you for your help.

Sincerely,

Cindy Hodges
