Re: Original Notice of Claim to a Water Right No. 61-07474A

Renumbered to Notice of Claim to a Water Right No. 61-11926

Dear Claimants:

We have received and processed a Change of Ownership for a portion of your original Claim to a Water Right Number as referenced above. This change of ownership resulted in a split of your original claim.

When a portion of the original water right claim has been conveyed to another and the original right has been split, then the original claim number is renumbered by adding alpha suffixes to represent each split. Each split contains only the portion of the original right for each separate owner. The above referenced new claim number reflects your remaining portion of the original claim after the change of ownership. Enclosed is a copy of this new water right for your records. Please refer to your new claim number when corresponding with our office. I have also enclosed a copy of the original claim for your reference.

Also enclosed is a copy of the Notice of Completed Administrative Proceedings, which has been sent to the Snake River Basin Court as notification of the change.

If you have any questions concerning this ownership change, or the enclosed information, please feel free to contact this office.

Sincerely,

Denise Buffington
