RE: Water Rights Number 75-4118B

Dear Ms. Brown:

We received the referenced property on a distribution from the Estate of Catherine Tomanovick on December 11, 1992.

We leased the property at the time and put the water right indicated at that time to beneficial use.

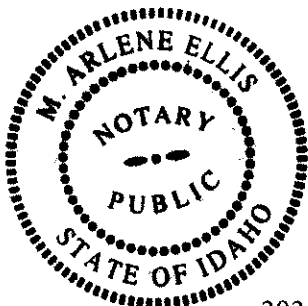

We are attempting to locate the executor of the estate to document an earlier date of beneficial use of the described water right.

We have attached documentation showing ownership and beneficial use as we know it.

Further documentation will be forthcoming as we obtain it back to January 01, 1925

Sincerely,

Rev. Dennis Wassmuth
Vicar General

Dear Jim:

I am writing to confirm our telephone discussion this morning. The Diocese intends to enter into a three-year lease arrangement with you for purposes of maintaining, improving and cattle grazing on the property known as "island farm" and formerly owned by Katherine Tomanovich. You are authorized to access the property and complete the work needed before grazing can take place. The contractual agreement and payment schedule will be forthcoming after Win Churchill completes it.

We are looking forward to working with you, and trust that you will be a good steward of the property. As the leaseholder you are the local contact. Please keep me informed of the progress of developments and any matter related to the property. Remember to submit a proposal concerning the out building, potato cellar and immediate fencing requirements.

Sincerely,

Randy Steiner

RE: Island Farm (Tomanovich) Property

Dear Dave:

Thank you very much for your time last week. We appreciate having the information you gave to us. As of today the diocese has agreed to lease the property to Jim Dartt for a three-year term. Presently there is no plan to sell all, or a portion of the property. If that situation changes we will let you know.

Arrangements are being made with Jim to have various improvements or repairs done. This will include the removal of the out building and the potato cellar. Any equipment or artifacts on the Tomanovich grounds are to remain there. Only the hazards are being removed.

Jim will be securing the gate to the property, and we ask that your lock be removed when he does so. Jim will also be our contact in case you need to bring something to his attention concerning the property.

Once again, many thanks for the time. Father Falk and I really enjoyed our visit, and will be back again.

Yours very truly,

Randy Steiner
