AFFIDAVIT OF FLORA GROVER

STATE OF IDAHO)
County of Lemhi : ss.

FLORA GROVER, after being first duly sworn, deposes and says:

1. That I am listed as a party to a claimed water right number 75-4485.
2. That I am claiming a water right with a priority date of 07/01/1932.
3. That the water right is claimed pursuant to a statutory claim which Stanley Grover and I applied for in 1983. (See Attached Exhibit A).
4. That the source of the claimed water right is Sawlog Gulch Creek, a tributary of the Salmon River.
5. That the water right is claimed for purposes of mining claims which I own and also includes domestic water use for a single family cabin which was located at the mine site.
6. That some of the mining claims attached hereto as Exhibit A were originally owned by J.J. Patterson, now deceased. Mr. Patterson's claims date back to the year 1932.
7. That before his death, J.J. Patterson sold his mining claims to Magnus Bevan who continued to mine these claims.
8. That Magnus Bevan, now deceased, also filed his own mining claims in the area described in Exhibit A.
9. That my husband, Stanley Grover, now deceased, also filed mining claims in the

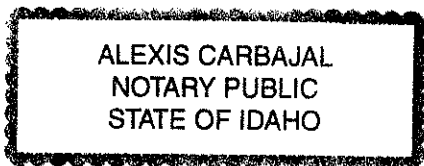

area described in Exhibit A.

10. That my husband and I continued to maintain the mining claims of Magnus Bevan when his health did not allow him to continue mining.
11. That ultimately, the mining claims of Magnus Bevan were quitclaimed to my husband by Hillard Bevan, Magnus' heir, for consideration given.
12. That upon Stanley Grover's death, I probated the mining claims that were in his name so that ownership of the mining claims was transferred into my name.
13. Evidence of the historic use of water right claim for mining and domestic use purposes is substantiated by a stamp mill and other mining structures located on the site in addition to the single family dwelling located on the site.

Further your affiant sayeth naught.

STATE OF IDAHO
DEPARTMENT OF WATER RESOURCES

CLAIM TO A WATER RIGHT

Under the provisions of Section 42-243, Idaho Code, any person using or claiming rights to the public waters of Idaho established by diversion and application to a beneficial use must file a claim with the Department of Water Resources on or before June 30, 1983. Exempted from this filing are single family domestic uses as defined in Section 42-230(d), Idaho Code. Also exempted are rights represented by a permit, license, decree, adjudicated right, or a previously filed claim.

The filing of this claim does not confirm the water right claimed but failure to file may result in forfeiture of a water right.

Notice is hereby given that Stanley Grover

(Name of Claimant)

674 Cleveland Idaho Falls, ID 83401 Telephone No. 523-0610
(Mailing Address) (Zip Code)

claims a right to the diversion and beneficial use of the surface or ground water. The extent and nature of said claim is as follows:

- (1) Date of priority: (When was the water first applied to a beneficial use) July 1, 1932

A claim is not acceptable on a ground water source with a priority later than March 25, 1963 or on a surface water source with a priority later than May 20, 1971. An exception is that a claim may be filed on single family domestic use from a ground water source.

- (2) Describe the source of water: (Name of stream, lake, spring, etc., or ground water)

- Sawlog Gulch tributary to Salmon River

- (3) Describe the purpose for which the water has been used and the time during the year when you have used the right claimed:

- (5) A) Point of diversion: (Location of point where water is diverted from its source)

NW ¼ SE ¼, Sec. 26 Twp. 24N Rge. 19E B.M., County of Lemhi

Additional points of diversion:

- B) Describe means of diversion of water: (Pump and pipeline, well, diversion dam, reservoir, length of ditch and field, etc.). Give sizes and capacities: be as specific as possible. Describe any changes in the system and give the date of the change. Six inch pipe from Creek to Mill, Rock diversion and placed
in stream for irrigation of orchard.

- (6) A) Describe location of use by listing number of irrigated acres within each 40-acre tract in appropriate box. If use is not for irrigation, place an "X" in appropriate box to show location.

[illegible]

No. of acres 5

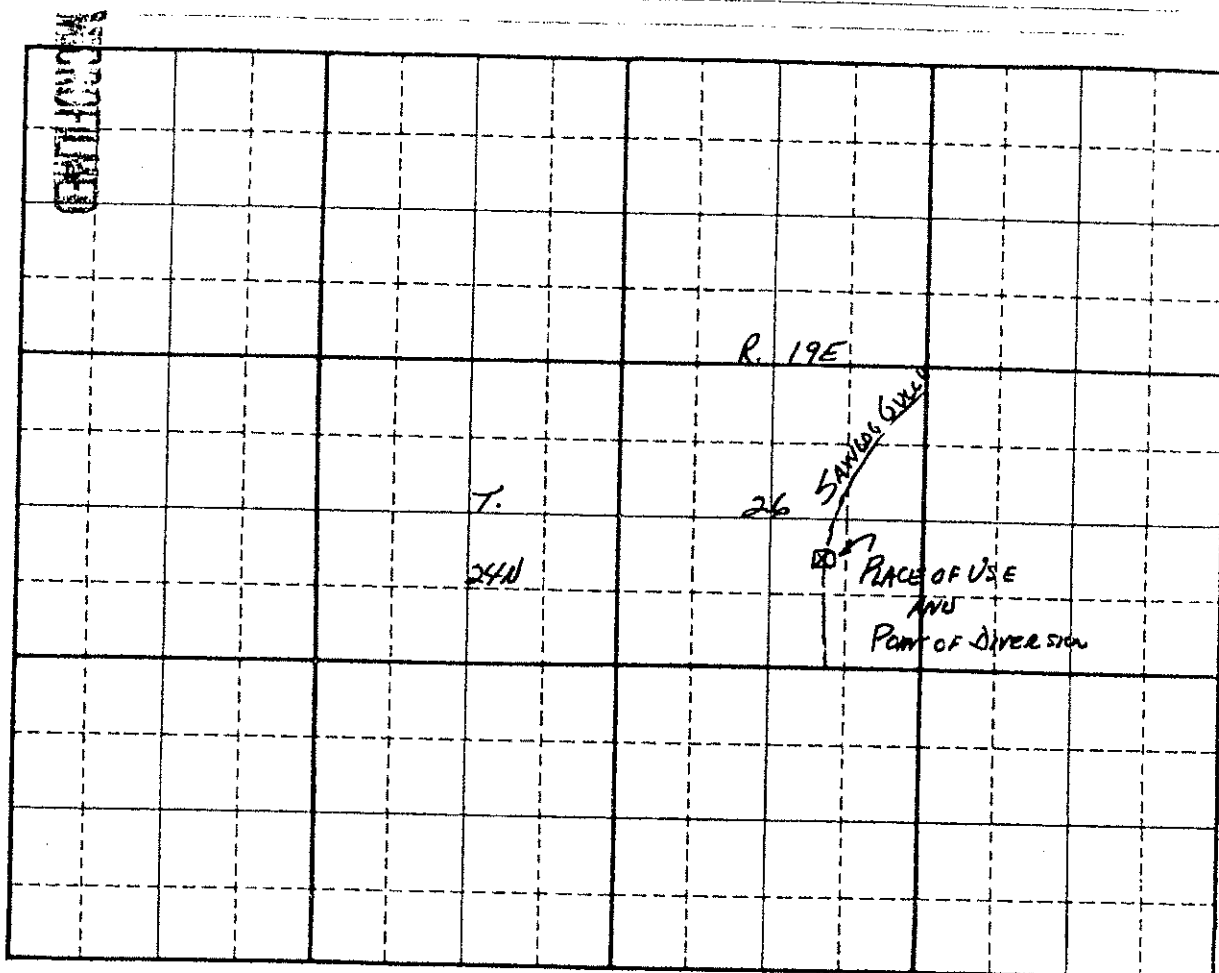

- 8) If water is used for other than irrigation, fully describe that use, being as specific as possible:

— Water is used in milling and crushing of ore associated with mining.

NOTE: Include here the type and number of stock watered:

- (7) If you are claiming water as a member of an organization, list name of organization:

(8) Remarks _____ Legal descriptions are only approximate
because land is unsurveyed.

Scale: 2 inches equal 1 mile.

Map should show the location of the point of diversion and the place of use of the water by 40-acre subdivisions, section, township and range of the public land survey system.
