Dear Ms. Brown;

Enclosed you will find documents from L.R. Jones (Levi Jones) that establish a water right on the property that we own no later than March 8, 1916. Jones homesteaded the property in 1893 and claimed a water right on what he then called Jones Creek. That creek is now known as the North Fork of the Salmon River. The enclosed documents were found in the Lemhi County Court Records and prove the date of claim.

Please keep us informed of any decisions regarding our water right so that we may take action to insure that it is not taken away or unnecessarily reduced.

Sincerely;

Daryl and Patricia Hull
