Dear Ms. Brown:

We are enclosing copies of any and all paperwork we have showing priority dates on our water right claims. The property we now own was part of the ranch Joyce grew up on and was originally owned by her grandmother and then her father and mother.

We met with Jack Ellis of Carmen, Idaho, on July 7, 2005, at our property to show him our current points of diversion. He is trying to locate points of diversion, etc., in the area where we own our property. Then Joyce, also, met with Bob Foster in Salmon the following week to request additional information.

Please let us know if there is any additional information you require. Thank you for your time.

Sincerely

Joyce O. Howard
