In regards to water right #75-4403. I Eugene G. Hussey can personally verify that Henry Schimtz, by diverting water in two seperate ditches one on the north side of Iron creek and one on the south side of Iron creek, was using water from this permit to irrigate hay and pasture land in 1931. And that water from this permit has been used to irrigate hay and pasture ground, from 1931 to the present day.
