Dear Roxanne:

In response to your letter of June 29, 2005 regarding Evidence of Priority Date (Adjudication Claim Report 75-10052 page 644.) These springs have been used for as long as I can remember for both irrigation and stock water. They rise in section 24 and 25 and are diverted into a ditch and then distributed in both sections 24 and 25. I have located and enclosed tax records for the year 1913 showing irrigated property in both these sections.

Sincerely,

Edgar S Edwards
