Dear Sir:

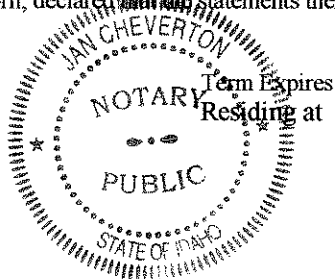

Reference your letter of August 1st of this year on Water Right Number 69-10040 on No Business Creek. That land is owned by the Wildhorse Partnership. Livestock have used this country since the turn of the century and use continues through the present time. Past practices of irrigating hay lands have been abandoned but Stockwater remains very high on all priority lists. Please delete the 'irrigation' portion of this Water Right but retain all matters dealing with Stockwater.

Should you have any questions, please feel free to contact me at the numbers listed above.

Sincerely,

John E. Dyer
Manager
OX Ranch
IDAHO
