Dear Sirs:

This objection is in response to Jason C. Wilde's objection dated June 22, 2005 to our use of Water Right # 25-14078.

This spring originates on the property we have owned for over fifty years. The house we also own near this spring has been there since before 1912 and the water from this spring was used for the domestic source for that house since that time. Also, this spring has been used for stock water since then also.

We are unclear where Mr. Wilde's concerns are coming from. He or his family have recently purchased the property adjacent to our property where the spring is located and where the "old Robison house" is. To our knowledge, the water out of our spring that flows onto the adjacent property has not been used by anyone for many years.

In his objection, we would like to know what he means by his comments of "fully appropriated" and how it relates to this objection.

Sincerely,

Green Valley Ranch, Inc.
