Re: Water Right No. 75-4173
Current Owner: Cecil and Judith Jackson
Priority Date Claimed: 7/01/1932

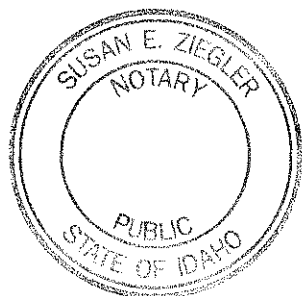

Dear Mr. Foster:

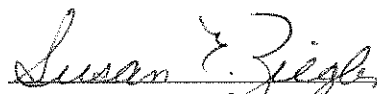

Mr. and Mrs. Jackson have requested that I provide this letter setting forth my knowledge of the date when the above claim to a water right was first in use. The pond in question was constructed, to the best of my knowledge, in the early 1930's, and possibly 1932. My knowledge is based on the fact that I married Mr. Robert Daniels and took up residence on the ranch where the pond is located in 1946. The ranch had been owned by my husband's family (Mr. and Mrs. Seth Daniels) since before 1920. My husband told me that the pond had been built by his family with scrapers, and my recollection was that it was constructed in the early 1930's.

Sincerely,

Eletha Daniels
